Spiritual Direction Janet K. Ruffing, Janet Ruffing, 2000 The modern resurgence of interest in spiritual direction comes from every occupation and lifestyle not just those in the religious life But while some books cover the basic topic almost none consider the subject of advanced direction What are the special issues of someone who s been offering spiritual direction for more than five years And of someone who s been receiving spiritual direction for more than five years Written by a well known practitioner researcher and theoretician of the art this clear and insightful book fills the gap by providing concrete help for both veteran directors and veteran directees The book offers a theological basis for the process of direction then moves onto such advanced themes as resistance desire in prayer transference and counter transference love mysticism and mutuality with God It also focuses on the special concerns of women in direction Each chapter includes a section on theory some illustrative case material verbatims and suggested discussion questions *Spiritual Direction Beyond the Beginnings* is for a wide ecumenical audience of both directors and directees It s of particular interest to women clergy retreat directors pastors and all religious and clergy who find themselves spiritual directors by default

Spiritual Direction for Every Christian Gordon Henry Jeff, 1987-01-01

Jesus, Our Spiritual Director Wendy Miller, 2004 Wendy Miller shows the deep biblical roots of Christian spiritual direction in her new book *Jesus Our Spiritual Director* Very much aware of the growing interest among church leaders in Christian spiritual direction Miller helps readers see the ways in which Jesus guided his first disciples She encourages readers to grow spiritually through contemplative reading of the gospels As readers explore the Gospels through

Miller's guidance they also gain insight into the spiritual lives of the disciples Miller writes for example that readers will sense the internal array of persons like Simon Peter listening carefully to his submerged story of fear and anxiety which Jesus notices and brings to light In reading this gentle guide to the Gospels readers will discover that Jesus notices and brings to light their own submerged stories Most important Miller helps readers recognize ways in which God is in dialogue with disciples today In addition to the Gospels Miller includes stories of people that show the continued conversion that comes from Christ Miller offers a groundbreaking book that demonstrates with clarity the ways in which spiritual direction is rooted in the Gospels and in the ministry of Jesus Each of the thirteen chapters contains guidance for individuals and beginning with chapter four guidance for leaders Here is an antidote for spiritual burnout

Spiritual Direction for Every Christian Gordon Jeff, 2007 For many years spiritual direction was regarded as an elitist activity designed for the benefit of the clergy and a few specially devout laity This book presents an alternative to that view arguing that spiritual direction is a benefit which every Christian can enjoy But if that is so where will we find all the competent spiritual guides to meet this need Gordon Jeff's answer is that in every congregation there are people women and men lay and ordained who possess a latent gift for spiritual direction To develop that gift courses are now available in many parts of the country but the Anglican Diocese of Southwark was the first in the field and this book outlines methods which have proved their worth over nearly 25 years and which have been widely adopted across the UK and beyond This wise practical handbook will be appreciated by all who would like to know how the skills of spiritual direction may be applied in their own congregation It will also prove helpful as a concise introduction to the nature and purpose of direction and how it relates to other forms of pastoral care and counselling Gordon Jeff is a much needed introduction to the sometimes too offputting adventure of spiritual nourishment
