*Spiritual Partnership* Gary Zukav, 2011-10-11 This book is about our new relationships A new and surprising world is emerging that requires each of us to explore the sources of our love and cultivate them and the inner sources of all that prevents us from loving our fears and heal them Our evolution has taken a new path and our relationships are changing in unexpected and dramatic ways We are evolving beyond the limits of our five senses and encountering more expanded experiences of ourselves and our world than were previously possible Where once our perception was confined to what we see hear taste touch and smell we are now increasingly able to access data that these senses cannot detect This expanded perception is forever altering our experiences of ourselves our world and our relationships Our evolution now presents us at each moment with a profound choice we can pretend that our lives and the world are not changing and continue to relate to one another as before or we can use our relationships to transform ourselves into authentically powerful loving individuals In *Spiritual Partnership* bestselling author Gary Zukav reveals a profound new relationship dynamic that enables us to reach our full potential and create authentic power the fulfilling and joyful life that is calling to us all Spiritual partnerships are not only for couples in marriage they can be created anywhere two or more individuals decide to engage as equals for the purpose of spiritual development Filled with poignant examples and practical guidance including specific guidelines *Spiritual Partnership* empowers and enables us to explore our emotions our intentions our choices and our intuition and to use them to create profound spiritual growth The world is changing around us and within us and *Spiritual Partnership* is the road map to that change
