

THE SPIRITUAL DAWN

When upon revellers the stained dawn breaks,
The fierce ideal comes with it; at that hour,
Stirred by some terrible avenging power,
An angel in the sated brute awakes.

Above the stricken, suffering man there glow
Far azure plains of unimagined bliss
Which draw his dreaming spirit like the abyss.
O pure, beloved Goddess, even so

Over smoked wrecks of stupid scenes of shame
Brighter and rosier thy sweet memory
Hovers before my wide eyes hauntingly.

The sun has dimmed and charred the candles' flame,
And thus, my glorious all-conquering one,
Thy shade is peer to the immortal Sun.

Library of Congress Subject

Headings Library of Congress,2003 *Poems of a Spiritual Awakening* Anonymous,2014-04-11 Poems of a Spiritual Awakening offers an intimate look at one poets own spiritual awakening over a period of twenty seven years going into and out of recovery Most critical to this awakening is the all inclusive universal power of a loving God as He revealed Himself to the author through this inspiring poetry After many years knowing that change was needed but having no success finding what others had discovered to enable their recoveries the author began writing poetry to express those innermost feelings Through these verses God became an overwhelming presence awakening the authors innermost emotions and the need to finally begin recovery from addiction From the pain of acknowledging a troubled past in Boogie Man to the poignancy of Self Love the author gradually found a way to express deeply buried emotions and fears This poetry collection was written in less than fifty days with God providing the path to release and recovery The Voice I had a voice I made much noise I knew just what to do I yelled in here I talked out there the voice within my mind it drove me very blind I thought out there I thought out here could hardly get some air and then your voice that still small sound just threw me to the ground It quieted my spirit true and showed me what to do

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
