Hobbs,2003-10 **Wheel of Initiation** Julie Tallard Johnson,2010-07-12 A guide to personal spiritual initiation through the transformation of habitual patterns apathy and resistance Based on the Native American medicine wheel the Vedic wheel and the universal initiatory mandala Enables readers from any tradition to initiate themselves through practices of thought transformation narrative medicine meditation exercises rituals and journaling Facilitates breaking through personal and societal illusions that perpetuate resistance and apathy Intentions and spiritual principles meditation and contemplation ritual and risk taking are the conditions that comprise an initiated life Regrettably in modern society we do not have rites of initiation that break through the personal and societal illusions that instill and perpetuate negative habits that keep us in states of resistance Lacking initiation practices we often remain trapped in ways of being in the world that were formed by our past conditions and attachments We tend to identify too strongly with the status quo which must be challenged to prevent stagnation and to encourage happiness and authenticity Julie Tallard Johnson shows how to become initiated into an authentic life through practices of thought transformation cultivating attention journaling storytelling and rituals found in the four directions of the universal mandala She begins the Wheel of Initiation in the South where initiates set their intentions then moves into the West where they free themselves from habitual patterns and core beliefs then into the North the direction of cultivating attention and unity and finishes in the East the direction of regeneration and initiation Drawing upon the life experiences of those who have successfully navigated the wheel Johnson demonstrates that once fears assumptions and ingrained beliefs are confronted and transformed initiates emerge ready to reenter society with renewed energy and vision that will enrich their own lives and their communities God, Morality, and Beauty Randall B. Bush,2019-07-01

Randall B Bush analyzes the ways unacknowledged axiological assumptions e g about what is important why human beings are valuing creatures and where the capacity to value comes from prejudice the perspectives and approaches of various academic disciplines especially in the social sciences and the humanities The disciplines of ethics and aesthetics provide the most useful tools for a philosophy of value but academic overspecialization has compartmentalized and segregated these disciplines from others threatening to unravel the unity of conceptions of the moral and the beautiful in human existence Bush argues that a dialectical approach to conflicts between ethics and aesthetics can point to a broader axiological vision informed by a Trinitarian conception of reality in which the whole a coherent theory of value is more than the sum of its parts

**Spiritual Seduction** Gloria M. Milow,2008 The Guardians Of God Schenell Boyd,2017-04-24 The world as we know it is changing In a time where chaos has become common the world is searching for answers Today I came to release the answer I came to prophesy that God is raising up an army of people that are about to become the answer to the world s

**Shamans of the Foye Tree** Ana Mariella Bacigalupo, 2010-01-01 Drawing on anthropologist Ana Mariella Bacigalupo's fifteen years of field research *Shamans of the Foye Tree: Gender, Power, and Healing among Chilean Mapuche* is the first study to follow shamans' gender identities and performance in a variety of ritual, social, sexual, and political contexts. To Mapuche shamans, or machi, the foye tree is of special importance not only for its medicinal qualities but also because of its hermaphroditic flowers which reflect the gender-shifting components of machi healing practices. Framed by the cultural constructions of gender and identity, Bacigalupo's fascinating findings span the ways in which the Chilean state stigmatizes the machi as witches and sexual deviants, how shamans use paradoxical discourses about gender to legitimize themselves as healers, and at the same time as modern men and women, the tree's political use as a symbol of resistance to national ideologies, and other components of these rich traditions. The first comprehensive study on Mapuche shamans' gendered practices, *Shamans of the Foye Tree* offers new perspectives on this crucial intersection of spiritual, social, and political power.

**The Final Doorway to Enlightenment** David R. Hawkins, MD/PHD, 2026-01-13 In this profound spiritual guide, renowned psychiatrist and consciousness researcher Dr. David R. Hawkins distills decades of clinical insight and mystical experience into a transformative journey toward Self-Realization and the direct experience of the Divine. In this rare and powerful work, Dr. David R. Hawkins offers profound insights into the nature of the Self, opening with words of deep assurance: "God Immanent means the realization of the source of one's own existence radiating forth as your beingness. Remembrance: you were OK all along. This realization that your essence is eternal and untouched by fear forms the foundation of this transformative journey." In Part One, Dr. Hawkins unveils the ultimate form of prayer, not in words but in how we hold ourselves moment by moment, a living meditation that places our very existence within the context of Divinity. In Part Two, he reveals the true purpose of his teachings: to dissolve the inner blocks that obscure our light. With clarity and compassion, he transmits not just knowledge but a vibrational energy that awakens the spiritual body beyond mind, beyond ego, into direct experience of the Infinite Presence. This book is both a guide and a transmission. Dr. Hawkins leads us with unwavering certainty toward the final threshold, the doorway every sincere seeker must eventually approach. With his guidance, the path becomes clear.

**The Seductions of Pilgrimage** Michael A. Di Giovine, David Picard, 2016-03-09 *The Seductions of Pilgrimage* explores the simultaneously attractive and repellent, beguiling and alluring forms of seduction in pilgrimage. It focuses on the varied discursive, imaginative, and practical mechanisms of seduction that draw individual pilgrims to a pilgrimage site, the objects, places, and paradigms that pilgrims leave behind as they embark on their hyper-meaningful travel experience, and the often unforeseen elements that lead pilgrims off their desired course. Presenting the first comprehensive study of the role of seduction on individual pilgrims in the study of

pilgrimage and tourism it will appeal to scholars of anthropology cultural geography tourism heritage and religious studies

**Gracefully Broken Wonderfully Restored: Overcoming Spiritual Seduction** Chinnita Morris,2019-01-04 Imagine living more blessed than you had sense enough to dream only to get a revelation eight years later that your living is in vain because it s not for God s glory So you act upon this revelation and surrender to God forsaking the things of the world to live a life committed to Christ And although there have been many struggles and disappointments you have never regretted your decision to live for God and you re fully committed and loving your walk with Jesus Nothing makes you feel better than knowing you are walking according to His will Then all of a sudden you find yourself in a world of sin sin that you never had a desire for and don t have a clue as to how you got there And now you re in the fight of your life to overcome because regardless of your newfound weakness your heart belongs to God and your greatest desire is still to live a life pleasing to Him This is a true story of Chinnita Morris walk with Christ gone awry and her relentless passion and fight to overcome the tactics of her worst enemy the devil Little did she know that what the enemy tried to use to destroy her God would use to raise a much more spiritually mature woman who would be bold enough to share her testimony to help many who may be in the same or similar situations and to warn others about seducing spirits **Spiritual Seduction** Gloria M.
