Square Dancing In Hell:

Square Dancing in Hell Martin Riehle, 2004-08 Normal children with normal parents experience normal problems This is not one of those stories about what is normal This tale is one that spins around children with an indomitable spirit and a grand sense of humor Self absorption greed and an ingrained mean streak permeate the personas of their parents Wilfy and Alby The kids are bright and can read cruel intentions and self deprecating demands with an incredible insight The way in which they cope is a genuine hoot It is hard to fault them in any way for their methods They employ an arsenal of unique weapons to fight a war that has been perpetuated through the ages albeit with different soldiers but none the less a war that is personal to many children The story takes place from an adult perspective as the siblings reminisce about their childhoods at holiday gatherings The memories evoke laughter while they are being recounted but when the moment of their meaning sinks in it leaves the participants with a sad regret The only significant accomplishment during a lost childhood was a vengeful game of booger booger who s got the booger and also the realization that they were survivors The vision of their departed parents lives on while imagining the dastardly duo unforgiving and with the all too familiar twisted faces Square Dancing in Hell **American Square Dance** ,1992 *Blown Away* Brenda Rothert, 2020-08-05 Drew I never planned to chase tornadoes across their paths of destruction But in an instant my world shattered In my grief I hoped that joining my late fiance s storm chasing team would help me feel closer to him But instead I grew closer to his brooding best friend who wants nothing to do with me Loss made me wiser though now I know that some things are worth risking heartbreak Aiden I knew it would be a perfect storm Me and Drew in close quarters It would threaten to blow my self control to shreds No one ever knew I burned for my best friend s girl and I wanted to keep it that way I tried to keep my focus on storm chasing but my feelings for her are like the tornadoes we pursue powerful all consuming and impossible to outrun Perfect for readers who love Brenda s Chicago Blaze and Fire on Ice series What readers are saying Okay I am totally BLOWN AWAY by this story I haven t read anything from author Brenda Rothert before Ugh where the hell have I been When I read the blurb I was excited to dive in because of a very unique plot Well I am delighted to report that this story is not only unique it is full of excitement drama storm chasing sexual tension fun and swoony sweet moments I am not even going to comment on the love scenes Just HOT AC Book Blog I am blown away but this book It has everything I was looking for in my next read and Brenda Rothert did not disappoint A beautifully written and very touching love story that uses the backdrop of storm chasing and from the start I was immediately pulled into this tale of loss of healing and most of all hope And I never looked back MJ Goodreads Brenda Rothert has done it again BLOWN AWAY is a MUST READ It gave me the feels from the get go I cried I laughed I sighed got angry and had to ahem fan myself Hilary Goodreads Topics stormchasing stormchasers adventure romance love after loss best friend s girlfriend Midwest tornado tornadoes storms action romance hot romance sexy romance military romance medical romance strong heroine Brenda Rothert Chicago Blaze Fire on Ice forbidden love forbidden
