Suite For Modern Man:

The Field Illustrated A. H. Godfrey, Alexander Henry Waddell, 1929 **The Cello Suites** Eric Soblin, 2011-01-04 An award winning journey through Johann Sebastian Bach's six cello suites and the brilliant musician who revealed their lasting genius One fateful evening journalist and pop music critic Eric Soblin attended a recital of Johann Sebastian Bach's Cello Suites an experience that set him on an epic quest to uncover the mysterious history of the entrancing compositions and their miraculous reemergence nearly two hundred years later In pursuit of his musicological obsession Soblin would unravel three centuries of intrigue politics and passion Winner of the Mavis Gallant Prize for Non fiction and the McAuslan First Book Prize The Cello Suites weaves together three dramatic narratives the disappearance of Bach's manuscript in the eighteenth century Pablo Casals's discovery and popularization of the music in Spain in the late nineteenth century and Soblin's infatuation with the suites in the present day The search led Soblin to Barcelona where Casals just thirteen and in possession of his first cello roamed the backstreets with his father in search of sheet music and found Bach's lost suites tucked in a dark corner of a store Casals played them every day for twelve years before finally performing them in public Soblin sheds new light on the mysteries that continue to haunt this music more than 250 years after its composer's death Why did Bach compose the suites for the cello then considered a lowly instrument What happened to the original manuscript A seamless blend of biography and music history The Cello Suites is a true life journey of discovery fueled by the power of these musical masterpieces The ironies of artistic genius and public taste are subtly explored in this winding entertaining tale of a musical masterpiece Publishers Weekly Soblin's writing is most inspired when describing the life of Casals showing a genuine affection for the cellist who used his instrument and the suites as weapons of protest and pleas for peace Booklist starred review
