Suiting Everyone: the Democratization of Clothing in America Claudia Brush Kidwell, Margaret C. S. Christman, 1974

Selling Style Rob Schorman, 2003-06-03 Schorman demonstrates in this readable study of 1890s U S society how fashion which he defines as clothing everyone wears and the symbolic system connected to its choice reflects the cultural dynamics caused by rapid social change and remnants of past attitudes Choice Suiting Everyone: the Democratization of Clothing in America Claudia B. Kidwell (Margaret), **Suiting Everyone: the Democratization of Clothing in America** Claudia Brush Kidwell, Margaret C. S. Christman, 1974 *The Routledge History of Fashion and Dress, 1800 to the Present* Veronique Pouillard, Vincent Dubé-Sénécal, 2023-10-24 The time span covered by *The Routledge History of Fashion and Dress* starts in the nineteenth century with the aftermath of the consumers revolution and reaches all the way to the present The fashion and garment industries have been international from the beginning and as such this volume looks at the history of fashion and dress through the lenses of both international and global history Because fashion is also a multifaceted subject with human agency at its core at the confluence of the material fabrics clothing dyes tools and machines and the immaterial savoir faire identities images and brands this volume adopts a transdisciplinary perspective opening its pages to researchers from a variety of complementary fields The chapters in this volume are organized based on their relationship to five fields of study economics and commerce politics business identities and historical sources Paying particular attention to change the book goes beyond the great fashion capitals and well known fashion centers and points to the broader geographies of fashion Particular geographical areas focus on the emergence of new fashion systems and business models whether they be in Sweden Bangladesh or Spain or on the African continent considered to be the new frontier of the industry Covering myriad aspects of the subject this is the perfect companion for all those interested in history of dress and fashion in the modern world *Suiting Everyone* Claudia Brush Kidwell, 1974 **Fashion Before Plus-Size** Lauren Downing Peters, 2023-06-15 Shortlisted for the Association of Dress Historians Book of the Year Award 2024 In 2022 it was reported that plus sizes accounted for nearly twenty percent of all women's apparel sales in the United States and was one of the industry's few growth sectors For many this news seemed to herald a remarkably inclusive turn for an industry that long bartered in exclusivity Yet the recent success of plus size fashion obscures a rather complicated history one that can be traced back over a century and which illuminates the fraught relationship between fashion fat and weight bias in American culture Although many regard fat as a malady of the present in the early twentieth century it was estimated that more than one third of American women classified as overweight While modern weight bias had yet to fully cement itself in the American imaginary the limitations of mass garment manufacturing coupled with the ascendent slender beauty ideal had already relegated larger women to fashion's peripheries By 1915 however fashion forecasters predicted that so called stoutwear was well positioned to become one of the most lucrative subsectors of the burgeoning ready to wear trade In the

years that followed stoutwear manufacturers set out to create more space for the fat woman in fashion but in doing so revealed an ancillary motivation that of how to design fat out of existence altogether Fashion Before Plus Size considers what came before plus size fashion while also shedding new light on the ways that the fashion industry not only perpetuates but produces weight bias By situating stoutwear at the confluence of mass manufacturing beauty ideals standardized sizing health discourse and consumer culture this book exposes the flawed foundations upon which the contemporary plus size fashion industry has been built
