Sultan's Snakes Lorna Turpin, In Lorna Turpin s classic story the snakes play a joke on the Sultan and the reader Solving the riddles they set solves the story too **Sultan's Snakes** Lorna Turpin, 1995-06-01 In Lorna Turpin s classic story the snakes play a joke on the Sultan and the reader Solving the riddles they set solves the story too The Saint and the Sultan Paul Moses, 2009-09-29 An intriguing examination of the extraordinary and little known meeting between St Francis of Assisi and Islamic leader Sultan Malik Al Kamil that has strong resonance in today s divided world For many of us St Francis of Assisi is known as a poor monk and a lover of animals However these images are sadly incomplete because they ignore an equally important and more challenging aspect of his life his unwavering commitment to seeking peace In The Saint and the Sultan Paul Moses recovers Francis s message of peace through the largely forgotten story of his daring mission to end the crusades In 1219 as the Fifth Crusade was being fought Francis crossed enemy lines to gain an audience with Malik al Kamil the Sultan of Egypt The two talked of war and peace and faith and when Francis returned home he proposed that his Order of the Friars Minor live peaceably among the followers of Islam a revolutionary call at a moment when Christendom pinned its hopes for converting Muslims on the battlefield The Saint and the Sultan captures the lives of St Francis and Sultan al Kamil and illuminates the political intrigue and religious fervor of their time In the process it reveals a startlingly timely story of interfaith conflict war and the search for peace More than simply a dramatic adventure though it does not lack for colorful saints and sinners loyalty and betrayal and thrilling Crusade narrative The Saint and the Sultan brings to life an episode of deep relevance for all who seek to find peace between the West and the Islamic world Winner of the 2010 Catholic Press Association Book Award for History **Christianity and Islam Under the Sultans** Frederick William Hasluck, 1929 In the spring of 1913 he the author visited Konia the ancient Iconium There he became interested in the interplay of Christianity and Islam within the Turkish empire The result of his researches is this work the first comprehensive study of Turkish folk lore and its relations with Christianity Editor s note **The Sultan and his subjects** Richard P. B. Davey, 1897

Mamluks and Animals Housni Alkhateeb Shehada, 2012-11-05 Housni Alkhateeb Shehada s Mamluks and Animals Veterinary Medicine in Medieval Islam is the first comprehensive study of veterinary medicine its practitioners and its patients in the medieval Islamic world with special emphasis on the Mamluk period 1250 1517 Based on a large variety of sources it is a history of a scientific field that is also examined from social and cultural perspectives Horses as well as birds of prey used for hawking and falconry were at the centre of the veterinary literature of that period but the treatment and cure of other animals was not totally neglected The Mamluk period is presented here as the time when veterinary medicine reached its pinnacle in medieval Islam and often even surpassed human medicine **The Sultan and His Subjects** Richard

Memories Ghulam Hassan Naseri,2012-04 It is obvious that any baby starts the very first stages of learning from a specific
family s circumstances and environment This concept is better expressed by the philosophy as you go so go your children A
lucky child is cherished on the knees of a loving educated mother Unfortunately I was a child deprived of love and affection
by my parents in early childhood An attempt was made to write my autobiography in memoir style It was an interesting
search to find and verify the motivation that made me tolerate the hard process of education while facing numerous problems
and obstacles during the early period of my childhood This work is in chronological order and consists of twenty one chapters
i e memories of childhood and the later stages of education as well as the impacts of the working environment in the course
of time In this regard the translation of this poem is expressive Say first thou who are your friends Then I would say thee
would be concerned It often happens that children stray even if they have educated and wealthy parents On the other hand
sometimes it has been observed that a fulcrum caused to become a benevolent and useful person to the human society What
a strange secret is hidden there This is my tenet to pass away conscientiously rather than be a perennial recalcitrant
ignorant Whatever has happened to me I hope other children do not suffer the same thing Even though my dispersed writing
may be a form of writing style all that I have said in these three distinguished periods of my life are not fabricated not a
single idea or action I am proud of that to say what I have mentioned Some are episodes that happened to me and a few ones
to others I consider them to have significant and effective points for my children and to others who are in need *The*
