## **Sundays Rose:**

*Sunday's Rose* Gail Ylitalo, 2004-12-01 Spiritual The one word that settles into the mind upon viewing the land a land that would remain vast and beautiful but shapeless to the mind s eye land to be held with reverence always as if the inhabitants were overcome by a spiritual essence This was how the wealthy Rose family felt about their plantation The year 1859 found Sunday Rose a child of the South and only daughter of Edward dreaming about travel and true love In the wake of a brutal assault her parents are forced to send her away to live with her wealthy grandparents in New York a city in transition It is there that Sunday discovers herself and finds the man who will help her to heal as the Civil War changes her life forever

**Understanding** Brenda Laface, 2025-05-21 P S I Think of You Often A Journey into Understanding is Brenda Laface s candid and lyrical exploration of a life shaped by questions of identity love and belonging Adopted as an infant Brenda grew up with an unshakable curiosity about her origins a quiet longing that shadowed her through childhood and into the shifting landscapes of adulthood Her memoir moves between tender recollections and hard won insights tracing moments of innocence betrayal wonder and profound connection Along the way she navigates the joys and challenges of family the ache of unanswered questions and the transformative power of self discovery Through heartbreaks that threatened to break her spirit and encounters that reignited her faith in humanity Brenda learns that understanding is not a single destination but a living evolving process Infused with vulnerability and warmth her story speaks to the universal search for truth in a world full of contradictions It invites readers to reflect on their own histories the visible and invisible forces that shape who we are and to find beauty in the tangled imperfect narratives we all carry With compassion honesty and a voice that lingers long after the last page P S I Think of You Often is both a deeply personal memoir and a gentle guide for anyone on their own journey toward wholeness
