Dog Days Aidan Higgins, 2011-04-30 Tired of walking in the dream I have returned to the country where I was born half a century ago The Higgins family is now dispersed the third son of four brothers is himself the father of three sons in a family also dispersed and our author looking for the quietness that Julian Sorel found in prison he finds this problematical peace sharing a bungalow near Brittas in Co Wicklow in an awkward two year tenancy with a school mistress with back back trouble DOG DAYS is an account of those two years with flashbacks to previous diaries that reveal a murky Dublin of whores and Provo killing a raindrenched Connemara

Irishology Ronan Moore, 2015-10-09 Ah Ireland it s a great little country all the same if only you could put a roof on it While we may be a nation of messers and begrudgers we ll always have a soft spot for our land of sunny spells and scattered showers Who else but the Irish can perform minor miracles with a prayer to St Anthony Or truly appreciate the medicinal purposes of Flat 7Up Not to mention the front room chipper chips and the bad pint From things you ll only hear and taste in Ireland to tips for surviving any social situation an Irish wedding anyone Ronan Moore s witty irreverent and nostalgic guide will have you laughing your way to a degree in Irishology Altogether now Lowwww lie the Fields of Athenryyyy

A Bestiary Aidan Higgins, 2004 Originally published as three separate volumes Donkey s Years Dog Days and The Whole Hog A Bestiary relates the life and times of one of Ireland s greatest contemporary writers As in his fiction Higgins s writing exquisitely captures sights smells and emotions detailing his life from childhood in County Kildare before his family s economic decline to his mother s slow agonizing death from his travels in England and South Africa to his two years spent living with a schoolmistress after the end of his first marriage In writing his memoirs Higgins exposes the sources for many of his best novels from Scenes from a Receding Past to Langrishe Go Down giving the reader a rare look into the story behind the story But A Bestiary is more than a factual expose this collection of memoirs is constructed in a novelistic way creating a work of literary art out of a life

The Campus Trilogy David Lodge, 2011-10-04 A trio of dazzling novels in a comic mode that the author has now made completely his own a cause for celebration The New York Times Book Review David Lodge s three delightfully sophisticated campus novels now gathered together in one volume expose the world of academia at its best and its worst In Changing Places we meet Philip Swallow British lecturer in English at the University of Rummidge and the flamboyant American Morris Zapp of Euphoric State University who participate in a professorial exchange program at the close of the tumultuous sixties Ten years later in Small World older but not noticeably wiser they are let loose on the international conference circuit along with a memorable and somewhat oversexed cast of dozens And in Nice Work the leftist feminist Dr Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy
