Sunrise Vows:

Wordsworth's Classical Undersong Richard Clancey, 2016-06-01 Wordsworth's classical education presents an amazing paradox Gifted teachers trained him in the full rigours of classical Latin and Greek But Wordsworth's schoolmasters were enlightened liberal and advanced They were committed to the Classics and to modern literature In their enthusiasm they shared their volumes of contemporary poetry with Wordsworth His was a holistic literary education Wordsworth developed a profound love for the Classics and thus an enlightened zeal for a new poetry a poetry capable of being compared with and even daring to compete with the Classical texts he so dearly loved Richard Clancey's meticulously researched study presents new biographical information on Wordsworth's classical education and new facts about the education of his teachers

Cassidy, 2011-07-15 Their in name only marriage would serve as bait Belinda Connor in no way wanted to be a temporary wife especially to Derek Walker who'd sneaked back into her heart with the stealth of a thief But when it became apparent someone wanted her dead Derek's embrace was the only safe harbor To draw out the killer he needed Belinda Using a proposal to save the Connor family ranch in return for her hand and her signature on child custody papers was manipulative but necessary If his scheme worked their marriage would end but could Derek endure losing Belinda again *Cheyenne Nights* As girls three sisters made a pact beneath a Wyoming moon Now as women they're due for a day of reckoning **Growing in Love and Wisdom** Susan J. Stabile, 2012-10-02 Although raised Roman Catholic Susan Stabile was ordained as a Tibetan Buddhist nun and devoted 20 years of her life to practicing Buddhism before returning to Catholicism in 2001 In *Growing in Love and Wisdom* she draws on this unique dual perspective to explore the value of interreligious dialogue the spiritual

dynamics that operate across faith traditions and how Buddhist meditation practices can deepen Christian prayer She begins by examining the values and principles shared by the two faiths and shows that both traditions seek to effect a fundamental transformation in the lives of believers Both stress the need for experiences with deep emotional resonance that goes beyond the level of concepts to touch the heart The center of the book offers 15 Tibetan Buddhist contemplative practices adapted for Christian use Stabile provides clear instructions on how to do these meditations and helpful commentary on each explaining its purpose and the relation between the Buddhist original and her Christian adaptation of it Throughout she highlights the many remarkably close parallels between the teachings of Jesus and the Buddha The meditations offered in this unusual book will be extremely useful to thoughtful Christians to those responsible for giving spiritual direction and also to Buddhist sympathizers who will be intrigued and pleased to see familiar contemplations handled so skillfully by a former Buddhist practitioner who has gratefully learned so much from her former religion and now introduces the riches of that tradition to her fellow Christians
