The God Tree:

The God Tree James Demers,1974 [The God Tree \[text \(large Print\)\] : a Novel](#) James Demers,1984 *The God Tree* Laurie Snider,2013-08 God is available to all who seek him Some people find their faith at a church while others may be more comfortable seeking closeness with God at a lake or on a mountaintop or in the middle of a forest The God Tree is one of these special places God is always with us and he always answers our prayers We may not get the answers that we want but we do get the answers that we need and sometimes the answer is No The God Tree is for people everywhere who have already found faith in their life or for those who are on a quest to find it May you find your God Tree **God's Tree** John Hensel,2021-07-27 How did three circles become God s tree Understanding what happens in our spirit soul and body before and after receiving Jesus Christ as your Lord and Savior and what does not happen will help you in every area of your Christian walk opening the floodgate of God s blessings John Hensel Jr was having trouble understanding this topic when God gave him a revelation that has changed his life This started him on a Holy Spirit led journey It led him to the writing and publishing of this book It can change your Christian walk and help you become the person God created you to be **The Ministry, Vol. 10, No. 02** Various Authors,2006-03-01 This issue of The Ministry contains a complete record of the nine messages given during the 2005 International Training for Elders and Responsible Ones in Moscow Russia in October 2005 The general subject of the training was the vision of the Lord s recovery and its application The burden for these messages can be summarized in the following four statements 1 the true vine Christ the Son with the believers in the Son as the branches is the organism of the Triune God in the Son for His multiplication spreading and glorification in the divine life 2 we must stay on the way of life the line of life in the maintenance of life by enjoying Christ as the tree of life in the flow of life for God s building in life by our growth in life 3 the kingdom of God is constituted with God s life as the realm of the divine life for His ruling in which He reigns by His life and expresses Himself as the Divine Trinity in the divine life and 4 the intrinsic significance of the golden lampstand is the highest peak of the divine revelation the subjective experience of the golden lampstand is the God man living and the organic maintenance of the golden lampstand is Christ s shepherding in His heavenly ministry We also include a report concerning the Lord s move in Ghana and Nigeria West Africa **The Cultural Value of Trees** Jeffrey Wall,2022-06-01 This volume focuses on the tree as a cultural and biological form and examines the concept of folk value and its implications for biocultural conservation Folk value refers to the value of the more than human living world to cultural cohesion and survival as opposed to individual well being This field of value comprising cosmological aesthetic eco erotic sentimental mnemonic value and much more serves as powerful motivation for the local performance of environmental care The motivation to maintain and conserve ecology for the purpose of cultural survival will be the central focus of this book as the conditions of the Anthropocene urgently require the identification understanding and support of enduring self perpetuating biocultural associations The geographical scope is broad with chapters discussing different tree

species from the Americas and the Caribbean East Asia Eurasia and Australia and Africa By focusing on the tree one of the most reliably cross culturally valued and cross culturally recognized biological forms and one which invariably defines expansive landscapes this work illuminates how folk value binds the survival of more than human life forms with the survival of specific peoples in the era of biocultural loss the Anthropocene As such this collection of cross cultural cases of tree folk value represents a low hanging fruit for the larger project of exploring the power of cultural value of the more than human living world This book will be of great interest to students and scholars of conservation biodiversity biocultural studies and environmental anthropology

The God Function: Deus Ex Grammatica Morgan A. Brown,2017-04-10 What if Theists and Atheists are both objectively wrong What if the Agnostics have completely missed the point THE ARGUMENT FROM GRAMMAR explores the omnipotent and omniscient God that is justified by reason in philosophy and religion Brown demonstrates that we can justify this denotation in grammatical terms by recognizing in Subjects predicate a universally valid Form of knowledge all knowledge and action all power Brown then proceeds to lay out an epistemological foundation for the human sciences drawing upon a philosophical tradition rooted in the thought of Protagoras Kant Schopenhauer and F A Hayek Brown turns his critique of theism back upon the atheists in order to show how grammatical theory can also answer arguments against the God Thesis If THE ARGUMENT FROM GRAMMAR can answer the objections of the Atheists while satisfying the Theists then the future of the debate over the existence of a rationally justified God shall be a debate over grammar and nothing more
