## **The Christian Couple:**

**The Christian Couple** Larry Christenson, Nordis Christenson, 1977 This new book deals specifically with the relationships of husband and wife in the same simple yet profound style that made The Christian Family so helpful to so many We are writing this book because we have come to the conviction that we live in a time when men need to be challenged to succeed as men This means more than succeeding in their careers It means succeeding in that which is basic to all human life and society marriage and the home We are writing this book because we believe that women want to grow in relating effectively to their husbands That is where true happiness lies for us as wives God s wisdom and grace can bring a new quality of happiness to our marriages Publisher **Christian Marriage** David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society **Christian Marriage Companion** Dr. Sunny Uwadiae, 2012-08-20 Christian Marriage Companion is one of the most comprehensive and authoritative books on the biblical model of marriage and family It is a blueprint on what an ideal Christian marriage is and how to achieve it It exhaustively explains the ordinance and covenant of marriage its central and peripheral purposes role relationships of man and wife how to push beyond intimacy into marital unity hindrances to a happy marriage how to resolve conflicts and how to achieve a blissful Christian marriage It fully examines issues such as same sex marriage oral sex use of sex toys pornography masturbation divorce remarriage effective communication forgiveness adultery and active listening With over 300 Bible references and real life examples from marital counselling sessions the book covers virtually all the knowledge and skills for making a Christian marriage a true success It is a manual covering all that a person needs to know to bring full healing to their marriage making the book a veritable alternative to face to face counselling It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere These include an in depth analysis of the marriage proclamation the idea that emotional and spiritual education is the central purpose of marriage the idea of spiritual divorce and the idea that Christian marriages aim at a deeper than intimate relationship Christian Marriage Companion is the kind of book you simply place on the shelf for your spouse to read in their own time They will find it absolutely compelling to read As they do so only the stone hearted will resist being reformed by it Newlywed couples and those looking

to improve their marriage would find this book most useful. Although it was written specifically for Christian couples of all denominations, it has great potential for positively impacting the marriages of non-Christians who read it with open minds. The Christian marriage ideals it teaches are unsurpassable and altruistic.

Married Sex Gary Thomas, Debra K. Fileta, 2021-10-05

A unique, comprehensive guide to sexual intimacy for Christian couples in every season of marriage. A great sex life is something you make, not something you find. If you feel confused or frustrated about your sex life, or simply wonder, "Is there more to it than this?" *Married Sex* is exactly what you need to make your marriage stronger in and out of the bedroom. Including the stories of real-life couples, research results from hundreds of comprehensive surveys, and professional perspective from a bestselling spiritual writer and a licensed counselor, *Married Sex* will help you understand why married sex is one of God's best ideas. Teach you the inner workings of your body and your spouse's body in order to achieve optimal pleasure. Guide you through the most common sexual problems couples have and what to do about them. Help you see how your past experiences and expectations influence your present sex life. Give you practical suggestions and techniques to enhance your sexual experience. Encourage you to take ownership in the process of making love, seeing a great sex life as a beautiful opportunity to honor both God and your spouse. Psychology, theology, research, story, and let's get started ideas combine to make *Married Sex* a resource for you and your spouse like no other book you've read before. Discover practical, biblically informed answers to your questions about intimacy as you find more satisfaction in your marriage than ever.

*Modern Kinship* David Khalaf, Constantino Khalaf, 2019-01-08

Same-sex marriage may be legal in America, but it's still far from the accepted norm, especially in Christian circles. So where can LGBTQ Christians who desire a lifelong covenantal relationship look for dating and marriage advice when Christian relationship guides have not only simply ignored but actively excluded same-sex couples? David and Constantino Khalaf struggled to find relational role models and guidance throughout dating, their engagement, and the early months of their marriage. To fill this void, they began writing *Modern Kinship*, a blog exploring the unique challenges queer couples face on the road from singleness to marital bliss. Part personal reflection, part commentary, and full of practical advice, *Modern Kinship* explores the biblical concept of kinship from a twenty-first-century perspective. This important resource tackles subjects such as dating, smartphone apps, overcoming church and family issues, meeting your partners' parents, deciding when and how to have children, and finding your mission as a couple. *Modern Kinship* encourages

queer Christian couples to build God centered partnerships of trust and mutuality

**Creating a Successful Christian Marriage** Cleveland McDonald, Philip McDonald, 2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback

*The Christian Minister's Affectionate Advice to a Married Couple* James Bean, 1899

*Christian Couples Coping with Childlessness* Auli Vahakangas, 2009-06-01 Children are the focus of marriage in African cultures Marriage is considered full and functional only if the couple has children in many cultures preferably a boy Becoming a parent also contributes to one's full adulthood in the sense that childlessness blocks ascent towards full personal dignity as an adult person in the community As a result childlessness is often a major disaster for both of the spouses It has social economical and personal consequences quite often including divorce This book explores in depth how childlessness is perceived dealt with and coped with in two Christian communities in Machame on the slopes of Mt Kilimanjaro Childlessness is approached through narratives of the spouses concerned and the members of their communities Their stories reveal pain and courage brokenness and strength faithfulness and betrayal Christianity presents itself in an ambiguous light on one hand pressuring spouses to keep up facades supporting oppressive structures On the other hand Christian faith provides childless couples with personal hope in the afterlife that the African traditional culture offers only to those with children This study proves that childlessness is not only a personal but also a communal problem Childlessness and the fear of having no children contribute to family structures and sexual behavior In this way they have a considerable impact on the spread of HIV AIDS in Africa However this study reveals that the attitudes and practices towards marriage and children need not be petrified but rather that traditions can and do change

**Christian Marriage Today** Klaus Demmer, Aldegonde Brenninkmeijer-Werhahn, 1997 This book is the result of a symposium sponsored by the International Academy of Marital Spirituality INTAMS which brought together a group of distinguished scholars and theologians to discuss the current social and spiritual emergency of Christian marriage Going beyond a strictly theoretical evaluation of the sacrament of marriage the contributors examine the subject from a pastoral viewpoint and address the praxis situation of couples trying to live out the implications of the sacrament The volume will be of interest to theologians as well as to catechists involved in the preparation of couples for the sacrament Klaus Demmer begins the book with an overview of INTAMS He provides background information on the symposium outlines the main themes discussed and introduces the essays included in the volume The first essay by J rg Splett presents a philosophical reflection on the nature of Christian marriage and the way in which it fulfills the person From a historical perspective Michel Rouché then provides a survey of

the many changes in the concept of marriage and the family throughout European history Ladislav Rys contributes a fascinating essay in which he describes the sacrament of marriage as a special vocation He examines the divine and human action in the nuptial ceremony and focuses on God as the principal actor in the event Rys meditates on God's revealed thoughts on marriage on God's presence during the ceremony and throughout a couple's married life and on the implications of the Christian doctrine of marriage for spirituality liturgy and canon law The final essay by Carlo Rocchetta traces Vatican II's terminological shift from marriage as a contract to marriage as a covenant and outlines the main guidelines for a new theological conceptualization of marriage as a sacrament

**ABOUT THE EDITORS** Klaus Demmer is professor of moral theology at the Pontifical Gregorian University in Rome Aldegonde Brennickmeier Werhahn is cofounder and director of the International Academy for Marital Spirituality in Brussels She also governs the Libisma Library Library for Interdisciplinary Study of Marriage

[The Spirituality of Christian Marriage](#) Rev. Fr. Cyril O. Apassa Ed.D., 2018-05-03 The Spirituality of Christian Marriage By Rev Fr Cyril O Apassa Ed D The Spirituality of Christian Marriage shows readers that they are called to respond to God's call to holiness and that holiness is not limited to the sanctuary Those who have been cohabitating should endeavor to legitimize their union This is a resource book for those preparing candidates for marriage

[Sweet Surrender](#) Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and

thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

## **The Christian Couple Introduction**

In today's digital age, the availability of The Christian Couple books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Christian Couple books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Christian Couple books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Christian Couple versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Christian Couple books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Christian Couple books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Christian Couple books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Christian Couple books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Christian Couple books and manuals for download and embark on your journey of knowledge?
