A structured debate is a discussion where two teams share different opinions about a topic, but it follows clear rules so everyone has a chance to speak and share their views.

- In a structured debate:
- there are two teams: Team A usually agrees with the topic (FOR) and Team B disagrees (AGAINST).
 - each team takes turns to give their opinions, reasons and examples.
 - everyone listens carefully and speaks politely and clearly.

A debate helps you to think fast, speak confidently and respect different opinions.
