The General's Wife Jennifer Jessen,2015-07-14 The General s Wife is an evocative well researched story of love tragedy and triumph in 19th century Venezuela In the 17th century Spanish Jesuit priests established missions along the Orinoco and its tributaries at the southern border of Venezuela The deep forest Indians slipped away from these intruders far back into the trees Later Spanish miners combed the valleys for gold Some of the disappointed men gave up their quest and settled down with Indian girls Ch the fruit of such a union grew up by the river ignorant of both his heritages Soon civil war broke out between the forces of the king of Spain and the Venezuelan patriots led by Simon Bolivar Ch s Indian mother and his Spanish father died with the father urging his son to find his uncle in Caracas Ana the child wife of the patriot general and governor of the island of Margarita is taken hostage in place of her husband Pregnant she is thrown into the dungeon of the Palamar fortress Hearing this Ch saves her life using herbal remedies passed down to him by his grandmother Ana is then incarcerated in the infamous dungeons of La Guaira prison awaiting a ship to Spain to stand trial in the Spanish courts Her ship is captured by pirates and she is dumped on a deserted island Eventually she is brought to Spain to face trial but friends smuggle her out and she lives in Caracas with her husband Here her friendship with Ch grows and they remain close until the end of their lives This moving and action packed novel is based on historical facts The General's Wife Brenda Dawn Gantt,2025-12-02 It has been over eight years since my husband chose to leave me I have survived double knee replacement two back surgeries foot surgery and cancer in both my breasts I know God was working for my survival through a terrible divorce and my illnesses I could have never made it without my faith My ex husband died in 2018 I feel sorry for his death and have no ill feelings toward him as I know in the end he was mentally imbalanced from dementia His family and ex wife took control over him before he left me until the divorce all for money I was a good loving wife I treated my husband like a king I trusted him and withstood his temper tantrums and intimidations all through my marriage I was obedient in order to survive He as a tall man and had the ability stand over me in a very threatening manner I never questioned him and had no idea he was unfaithful to me with other women and his ex wife His ex wife was the last person on this earth I would have dreamed he was seeing He would always tell me and others he was ashamed of her and she would have ruined his military career He was a stranger to me in the end My experiences during a two year long divorce and afterward have made me

unbelievably strong I had been surrounded by lies and deceit for 39 years I have a wonderful life without anymore stress I have been set free from a man who had no respect for me and that I could not please I don t have any more health problems that I know of I m with friends and family every day I feel blessed that I have been set free without any more worries I felt compelled to write this book with the hope it will in some way help others who are faced with abuse and control
