The Girlspell:

The Girlspell William Avon, 2011-12 Daring and attractive cat burglar Amber Jones is being pursued through lonely Hoakam Woods by determined policewoman Melanie Kingston. Meanwhile Sue Drake is innocently taking a shortcut through the same woods on a bicycle holiday trying to escape a bad relationship. Following a dramatic encounter an item Amber has stolen, a mysterious oriental black lacquer puzzle box is opened to reveal a set of erotically carved ivory phalluses which radiate a strange and irresistible desire to use them. One by one the women do so with amazing consequences. Somehow the power of their intense orgasms transports them to an alternate version of England and the picturesque village of Shaftwell. Here women who break the law can quite legally be sentenced to serve as submissive sex toys in accordance with something called the Female Public Servitude Act. This explained why the local vicar's carriage was drawn by a pair of naked ponygirls for their own ultimate salvation, of course. Melanie is ridden down by dashing Major Havercotte, the owner of the Markham Hall girlpack, literally a pack of naked women used for pleasure and sport. Meanwhile Amber is arrested for being an outlander and vagrant by PC Bailey who soon takes advantage of her in the police cells and shows her the pillory in the police station yard where naked women are put on show for public shaming and target practice. Lastly Sue is captured by the Snooties, a gang of rich girls whose leader relishes the challenge of secretly breaking Sue in as a perfect submissive while introducing her to the dark delights of lesbian sex in the process. If this were not bad enough there is also the rival gang of sixth form lads from the local boarding school roaming the woods. They would love to get their hands on any of them to learn more about the mysterious delights of female bodies which they have just begun to appreciate. All of this naturally astounds Melanie, Sue, and Amber. Yet in Shaftwell such behaviour is considered perfectly normal and they are the ones who need to be taught to adjust to local customs. And despite all these humiliations they do keep having mind-blowing orgasms. Can they return to their own world before the mysterious allure of the girlspell claims them for its own forever. **The Girlspell**

William Avon, 2011 Three girls each stumble across a mysterious case that contains something. A something they feel compelled to use on themselves. And when they do they find themselves in a strange alterantive reality where female slavery is very much alive and well. One of the girls is a policewoman, one of the others a thief. How their interlinking fates play out makes for one of the most absorbing and erotic novels we've ever published. **The Girlspell - Book 2** William Avon, Amber, Melanie, and Sue are still languishing in village of Shaftwell, an alternate version of England where women who fall foul of the law can quite legally be kept as naked servants, sexual playthings, and hunting trophies. Melanie has become a member of the Markham Hall girl pack of naked women who are hunted for sport. Amber is the captive of a secret cabal of Cranborough House School sixth formers who are enthusiastically using her for their amusement. Sue is the prisoner of cruel Arabella Westlake who together with her own little cadre of followers, nicknamed the Snooties, is contriving ever more degrading sexual torments in the hope of breaking her completely to her will. Sly little vagabond Sally Potts is looking

forward to being released from being a naked target in the police yard public pillory while Miss Newcombe Matron of Cranborough House wants to save her Meanwhile pretty timid Jemima Moncrief is having doubts about being one of Arabella's Snooties while also being troubled by her own strange and disturbing emotions while she watches Sue being humiliated Amber is scheming to recover the unnaturally alluring ivory phalluses from oriental puzzle box she stole in the hope that they will take her back home while unexpectedly enjoying keeping five young men satisfied Melanie knows she should be trying to escape her bondage but she finds herself being attracted by the life of a pack girl and the thrill of the chase Sue is losing her will to resist and feels herself sinking into a state of total submission Is this where she belongs Perhaps the mysterious power of the Girlspell contained in the puzzle box has brought them all to a place where they are truly happy Is there more to life than freedom The day of the Hunt Ball is approaching complete with its display of naked pack girls who make such lovely living decorations There will be excitement and debts settled and a few surprises before it is over
