The Glass Virgin:

The Glass Virgin Catherine Cookson,2004-12-06 From bestselling author Catherine Cookson comes a compelling riches to rags story featuring secrets scandal and emotional drama set in Victorian England Annabella Lagrange had the kind of childhood that most can only dream about The only child of an aristocratic couple raised on their magnificent estate in the English countryside she was loved by her parents and coddled by servants who acquiesced to her every whim She was allowed to do anything she wanted except of course to stray too far from her wing of the house But her seclusion didn't concern her too much because when she grew up she planned to marry her handsome cousin Stephen and live happily ever after However on the morning of her tenth birthday Annabella ventured farther than she'd ever gone before Overcome with curiosity she opened a forbidden door that led into her father's private quarters and what she found there showed her with shocking clarity that her father was not the man she thought he was And though she couldn't know it at the time the events of that day set in motion the uncovering of a secret that had been kept for many years So begins the remarkable story of Annabella Lagrange a sensitive beautiful young woman who was raised as a lady But when she turns eighteen she learns the surprising circumstances of her birth and her entire world quietly crashes around her Suddenly she's forced from the genteel surroundings of her youth into the rough lower class society of Victorian England where only her quick wit and determination can save her from starvation Catherine Cookson was one of the world's most beloved writers and in *The Glass Virgin* her powers are at their height Rarely has a heroine been portrayed more sensitively or a situation more compellingly Filled with passion and drama *The Glass Virgin* is a rare treat for lovers of romantic fiction *The Glass Virgin* Catherine Cookson,1969 Growing up amid the strict mores and stultifying traditions of Edwardian England's Redford Hall Annabella Lagrange is forced to hide her father's terrible secret and turns to her beloved cousin Stephen until a terrible truth about her identity forces her to recreate her life 25 000 first printing **The Glass Virgin (video)**.
