The Golden People

Jeffrey Wattles

The Golden People:

The Golden People Fred Saberhagen,1987-10-01 Emiliano Nowell a wealthy idealistic genetic engineer secretly breeds a race of one hundred genetically perfect children but one of the group sets out to use their extraordinary talents to replace the human race *The Golden Rule and the Games People Play* Rami Shapiro,2015-10-19 This philosophical game changer looks critically at the Golden Rule in the context of game theory to see where it works and where it doesn't when it is applicable and when it isn't It shows you why knowing the difference can offer you a powerful way to transform your life from one driven by fear to one driven by love **Re-inventing Japan** Tessa Morris-Suzuki,2015-03-04 This text rethinks the contours of Japanese history culture and nationality Challenging the mythology of a historically unitary even monolithic Japan it offers a different perspective on culture and identity in modern Japan **The Golden Dream, Or, Adventures in the Far West** Robert Michael Ballantyne,1883 Theologies of Fear in Early Greek Epic Carman Romano,2024-09-24 This book explores the theological significance of horror elements in the works of Hesiod and in the Homeric Hymns for the characters within these poems the mortal audience consuming them and the poet responsible for mythopoesis Theologies of Fear in Early Greek Epic argues that just as modern supernatural horror fiction can be analyzed to reveal popular conceptions of the divine so too can the horrific elements in early Greek epic Romano develops this analogy to show how myth makers chose to include omit or nuance horror elements from their narratives in order to communicate theological messages By employing methodological approaches from religious studies classical studies and literary studies of supernatural horror fiction this book brings a fresh perspective to our understanding of how the Greeks viewed their gods and how poets helped to create that view Theologies of Fear in Early Greek Epic will be of interest to scholars in classical studies religious studies and comparative literature as well as students in courses on myth religion and Greek culture and society **The Golden Book Magazine** ,1925 The Development of the Young People's Movement Frank Otis Erb,1917 **The Golden Rule** Jeffrey Wattles,1996-12-05 In an age plagued by selfishness materialism and violence ethicists feel impelled to find a universal system of values To arrive at such a rule requires that they struggle with a series of seemingly irreconcilable questions First are universal values possible in a pluralistic world and how does one do justice to both human equality and to individual and cultural differences How is one to understand the interface between religious moral teachings and the ethics of secular humanism Finally can such a system integrate moral intuition and moral reason In the first scholarly book in English on the golden rule since the seventeenth century Jeffrey Wattles demonstrates how a clear understanding of the psychological philosophical and religious ramifications of the rule can form the synthesis needed to solve these dilemmas The golden rule do to others as you would have others do to you is widely assumed to have a single meaning shared by virtually all the world's religions It strikes the average person as intuitively true though most modern philosophers reject it or recast it in more rational form Wattles surveys the history of the golden rule and its spectrum of meanings in diverse contexts ranging from

Confucius to Plato and Aristotle from classical Jewish literature to the New Testament He also considers medieval Reformation and modern theological and philosophical responses and objections to the rule as well as how some early twentieth century American leaders have tried to use the rule Wattle draws these diverse interpretation into a synthesis that responds at the psychological philosophical and religious levels to the challenges to moral living in any given culture Emotionally the rules counsels consideration for others feelings by asking that you place yourself in their shoes Intellectually it activates moral thinking about what is fair At the same time it retains a spiritual appeal as the principle of the practice of the family of God Demonstrating how despite its contentious history this age old ethical principle continues to be relevant in dealing with contemporary issues The Golden Rule should interest students and scholars working in religious studies philosophy and ethics and psychology as well as anyone looking for an alternative to postmodern cynicism and alienation

The Golden West ,1920 *The Golden Bough: pt.1-2. The magic art and the evolution of kings*, 1911 James George Frazer,1911 **The Golden Rule and Odd-fellows Family Companion** ,1847 The Golden Scepter Clara Belle Baker,Edna Dean Baker,1922 **The Golden Thought of Queen Beryl, and Other Stories** Marie Cameron,1880 **The Golden Bough** Sir James George Frazer,1911 **The People's Home Journal** ,1903 *The Golden Legend, Or, Lives of the Saints* Jacobus (de Voragine),1900 *The Golden Book of India.
