The Gondola Scam Jonathan Gash,1985-03-05 *The Gondola Scam* Jonathan Gash,1984-01-01 *The Encyclopedia of Murder and Mystery* B. Murphy,1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance Faces in the Pool Jonathan Gash,2009-12-08 In Jonathan Gash's 24th Lovejoy Mystery Faces in the Pool Lovejoy is released from jail on condition he join the elegant Laura Moon's speed dating agency A divorced millionairess she proposes a temporary marriage of convenience to help her hunt down her former husband Can Lovejoy do what is expected of him without getting killed A picaresque tour de farce If you crave linear plotting Gash will send you screaming for Tylenol but nobody dissembles more brilliantly Kirkus Reviews **The Tartan Ringers** Jonathan Gash,2014-04-03 I like to think that when feeling my way carefully through the rituals of passion the lady in question has pretty much my full attention and very few things will distract me from the job in hand A murder just outside is one of them The victim and two other antiques dealers who also came to a sticky end were all working the same Scottish connection that I had been cultivation so I decided to make myself scarce for a while Where better to hide than at the root of the problem in the wilds of Scotland There may be nothing very Scottish about me but when my life's on the line I can blend into the Highlands like a haggis in the heather It was also the best place to find out why the antiques trade down south had become such a dangerous business **Comic Crime** Earl F. Bargainnier,1987 The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime **Lovejoy** John Gash,Jonathan Gash,1991

The Sleepers of Erin Jonathan Gash,2013-11-07 You know things are going badly when you've been stabbed hospitalized and arrested for a crime that not only did you not commit you actively attempted to prevent Top that off with a pending appearance in court before a judge whose wife you know rather better than he does and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly reasonable thing to do All you have to do is to make sure that you don't end up joining the ancient Irish tomb's ancient Irish inhabitants Nothing's ever that simple though is it Not in my world anyway Women have a tendency to confuse matters and when you're dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billerica in his entire life things are confusing enough don't you think **Official Guide to Flea Market Prices** Harry Rinker,2001-05-08 Finding

D. M. Snell,2002 Pioneering and interdisciplinary in nature this bibliography constitutes a comprehensive list of regional fiction for every county of Ireland Scotland Wales and England over the past two centuries In addition other regions of a usually topographical or urban nature have been used such as Birmingham and the Black Country London The Fens the Brecklands the Highlands the Hebrides or the Welsh border Each entry lists the author title and date of first publication The geographical coverage is encompassing and complete from the Channel Islands to the Shetlands An original introduction discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction **The Oxford Dictionary of Idioms** Judith Siefring,2004 Did you know that flavor of the month originated in a marketing campaign in American ice cream parlors in the 1940s when a particular flavor would be specially promoted for a month at a time And did you know that off the cuff refers to the rather messy practice of writing impromptu notes on one s shirt cuff before speaking in public These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms The volume takes a fresh look at the idiomatic phrases and sayings that make English the rich and intriguing language that it is This major new edition contains entries for over 5000 idioms including 350 entirely new entries and over 500 new quotations The text has been updated to include many new idioms using the findings of the Oxford English Reading Program the biggest language research program in the world The entries are
