The Parish In Community And Ministry:

The Parish in Community and Ministry Evelyn Eaton Whitehead, 1978 **Parish Ministry in a Hispanic Community**
Charles W. Dahm, 2004 This unique book helps the reader understand the diverse aspects of Hispanic faith and culture while presenting a coherent practical and theoretical model of pastoral ministry applicable to Hispanic parishes across the United States Community as Church, Church as Community Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit s doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book s reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future *Next Steps in Community Ministry* Carl S. Dudley, 1996-12-31 Dudley and a research team go back to 24 ministries still in existence five years after the Church and Community Project s completion They discovered how the myths and expectations of funding lay clergy leadership and church society partnerships were shattered by what is doable how the often Herculean efforts frustrated and tired participants who were then uplifted and sustained by making a difference and how faith was the foundation for action and how through action the poor the homeless and others in need became real people and not statistics The Parish in Catholic Tradition James A. Coriden, 1997 This volume says James Coriden in his introduction allows the reader to reach an accurate understanding of the authentic nature and function of parishes within the Catholic tradition It describes the origins of parishes and their historical evolution offers a theology of parish as a local church links parishes to the church s social teaching and provides a comprehensive overview of their function in Roman Catholic law and their relationship to American civil law In clear nontechnical language the volume outlines the canonical status of Catholics as parishioners as well as their rights duties and forms of assembly and the relationship of parishes to other ecclesial and civil bodies Ministerial students clerical and lay ministers members of parish councils and laypersons generally will find this book an indispensable handbook for living and working within parish communities Christians of other denominations will make fruitful connections between their own congregational life and Roman Catholic experience BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Total Faith Initiative Coordinator's**

Manual Thomas East, Ann Marie Eckert, 2004 The Total Faith™ Initiative Coordinator's Manual draws on the experience of many parish communities to give leaders what they need to plan and implement dynamic and effective youth ministry including intentional catechesis The manual includes two chapters describing a vision for youth ministry and adolescent catechesis four chapters providing planning tools for using the many resources within the Total Faith™ Initiative four more chapters suggesting numerous ways for parishes to connect with youth and their families a final chapter providing practical guidance in finding and supporting youth ministry leaders The accompanying coordinator's CD includes additional tools for using the Total Faith™ resources You will find a searchable index of all activities and strategies additional handouts and PowerPoint presentations for training leaders a printable list of short descriptions for every session and more It has never been easier to create dynamic and customized ministries for your parish

The Parish Malcolm Torry, 2004 The Church of England is its parishes for clergy lay people alike Christianity is lived out in the context of a parish with a community congregation building and a priest This immensely useful resource reflects on many aspects of parish ministry pastoral care liturgy art and the sacred space spirituality youth regeneration and the multicultural parish and more A vital guide for students clergy and lay church leaders it was conceived in response to Anglicanism the answer to Modernity Continuum a book by academics giving an ivory tower view This is intended as a real help for the real work of running a parish and to enable theological reflection at local level
