The Passover Plot Exposed:

The Passover Plot Exposed Clifford Wilson, 1977 **The Passover Plot** Hugh Schonfield, 2004-04-01 Finally back in print this special 40th anniversary edition of Dr Schonfield's international multimillion copy bestseller is set to rock the establishment view of the life of Jesus all over again There is probably no other figure in modern Jewish historical research who is more controversial or famous than Hugh J Schonfield who once said The scholars deplore that I have spilled the beans to the public Several of them have said to me You ought to have kept this just among ourselves you know What he did to spill the beans was present historical evidence suggesting that Jesus was a mortal man a young genius who believed himself to be the Messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies even to the extent of plotting his own arrest crucifixion and resurrection Since Schonfield's death in 1988 his popularity and the interest in his prodigious work which included over 40 books has drawn increasing attention particularly outside Judaism In fact it is probably fair to say that his contribution to the Gentile understanding of Jewish aspirations among those within the Christian cultural framework has been without parallel In true Christian tradition he has also been the cause of much contention In the wake of resurgent interest in religious history spurred by Mel Gibson's *The Passion of the Christ* and Dan Brown's *The Da Vinci Code* this 40th anniversary edition of *The Passover Plot* is set to engage a completely new generation of readers searching for truth The Passover Plot Hugh Joseph Schonfield, 1966 **THE PASSOVER PLOT**, 1965 *The Passover Plot* Hugh J Schonfield, 2021-06-16 This is the new official Schonfield Trust edition of the *Passover Plot* which is probably one of the most controversial books on the role of Jesus the Messiah Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically Thus it is a must read for who are seeking a better understanding Schonfield's aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity he would be able to uncover the real Messiah misrepresented since time immemorial His sincere desire was that this understanding would bring together those who had so long been divided Whilst his thesis that Jesus plotted his own crucifixion may seem far fetched or even offensive at first seen in the light of John's Gospel and the thinking of the times it provides food for thought to those with an open mind **The Passover Plot** Hugh Joseph Schonfield, 1966 **The Big Book of Christian Apologetics** Norman L. Geisler, 2012-11-01 The *Big Book of Christian Apologetics* is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler's seminal work to the masses

The Debaters of This Age Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Gospel Truth ,1972 **The False Trials of Jesus Christ** Clifford A. Wilson,1990 **The Scientific Case for Creation** Henry Madison Morris,1977 This book is a brief introduction to the broad field of scientific creationism The subject is treated solely from a scientific point of view leaving the theological and Biblical implications of both evolution and creation to other studies Although a minimal level of scientific background on the part of the reader is helpful even the general reader can follow the arguments and appreciate the conclusions In contrast to other books dealing with the inadequacies of evolution this book concentrates on examining the scientific evidences for creation Publisher
