Everyone Should Be Afraid to Sin Donald P. Oliver,2025-10-29 There are many voices to listen to in this world aiming to convince you to participate in sin to the point that it seems like everybody is sinning so it must be okay Yet the same scenario happened before the earth was

flooded during Noah s time and only eight people were saved from the flood Are we in the last days In the Holy Bible in Matthew chapter 24 Jesus speaks about things that will happen in the end times and many of those things are happening wars and rumors of wars earthquakes famine and nations against nations In that chapter of the book of Matthew Jesus also lets us know that no one knows the hour or the day when that will happen Considering a day is as a thousand years and a thousand years is as a day to the Lord we must not be stuck in our sin when the end does come We are all born into this world in our personal last days not knowing when we will die and then the judgment This book brings light to the subject that we will be judged and through Jesus we can be declared not guilty if Jesus is our Savior Second Corinthians chapter 2 speaks about not being ignorant of Satan s schemes Still if you don t study God s Word for yourself you can perish from the lack of knowledge about sin hell and salvation because there is no lack of liars who say something is in the Bible when it is not to convince you that something is not sin when it is Please don t wait until it is too late for salvation
