## What Is Mothers Day:

*The Dark History of Mother's Day* Anna Sleek, 2022-05-16 Mothers day is a holiday globally celebrated Very few are aware of the heartbreaking origins of the festival dedicated to mothers The term mothers day was first coined by Mary Ann Jarvis in 1907 The original proposal for the holiday included equal recognition for both men and women who were mothers this was not well received by social conservatives at the time who thought that giving fathers the same recognition as mothers would make the holiday lose its focus The name of the proposal is Mothers Day and it is to be celebrated on the second This book also tells you what Mothers day is why it is celebrated and the origins of the festival For example Mothers Day is celebrated annually on the second Sunday in May in many countries and cultures The first celebration took place in United States on May 9 1870 From the history of Mothers day in ancient times to the contemporary festival this book has everything you ll need to know about celebrating Mothers day Get a sense of what s going on in the world and be prepared to celebrate this holiday with your mother Mom will love it Why do we commemorate Mother s Day so frequently Why isn t Father s Day celebrated the same way This book covers a variety of themes including how to express gratitude to moms on Mother s Day and what gifts to buy for mothers and how other religions commemorate Mother s Day There are many times when Mothers day is celebrated Some people celebrate on the second Sunday in May others on the third Sunday However it s always up to you how important you want to make this holiday This book is a good start for all the dates and information you could ever want about Mothers day and why we celebrate it so differently Mothers Day is a holiday deeply rooted in activism From the protests led by mothers like Anna Jarvis and Julia Ward Howe to the passage of the landmark 1964 Civil Rights Act we have spent generations fighting to make life better for our children and future generations Show your support for this important tradition with a memorable Mothers Day gift Mother s Day is a wonderful time to honor mothers but determining which day is appropriate can be difficult This book examines the history of the occasion and even provides advice on how to select the ideal present It s not just a day it s a festival The festival of love and good wishes
