What Is Redemption? Philippe de la Trinité, 2021-08 The Crucifixion of Jesus Christ is central to the Catholic Faith But how does the murder of the eternal Son of God by human beings lead to their redemption not further damnation During the sixteenth century as Protestants rejected Catholic doctrine a new answer to this question was proposed on the Cross God the Father subjected His divine Son to the wrath and retribution sinful humanity justly deserved Having punished His Son in the place of sinners and having exhausted His pent up anger the Father could then turn to humanity in love and mercy This theory known as penal substitutionary atonement caught on in many Catholic circles and is often the popular understanding of the Cross Thank God for What Is Redemption by Philippe de la Trinité a classic now back in print This book shows the many fallacies in the penal substitutionary theory of redemption But that is not all Trinité replaces this mistaken theory with the true Catholic doctrine In dialogue with the saints and doctors of the Church chiefly St Thomas Aquinas he shows why St John in his Gospel said it was for love not for wrath that God sent His only begotten Son Carefully distinguishing the key concepts in the doctrine of redemption he explains the difference between saying that Christ made satisfaction for the sins of the world and saying that Christ suffered the punishment due to every sin The Cross is not an oppression but an exaltation a triumph of divine love

*WHAT IS YOUR LIFE?* Pastor David Marcel, 2026-01-29 Measuring Life Through God's Lens means understanding that life is not evaluated by years lived titles earned or possessions accumulated but by faithfulness obedience and purpose aligned with God's will From God's perspective time is a sacred trust and every day is an opportunity to grow in wisdom love and righteousness While the

world measures success by visibility and achievement God measures life by the condition of the heart the stewardship of time and the impact of one's choices on eternity When life is viewed through God's lens moments gain meaning priorities are reordered and existence is no longer about merely surviving time but redeeming it allowing each step decision and sacrifice to reflect a life lived intentionally before Him While you are counting how much time you have on the earth to live do so with the understanding that every moment is both a gift and a responsibility Time is not given merely to be measured but to be invested with purpose guided by wisdom and aligned with God's will As days pass and years accumulate life is not defined by how much time remains but by how faithfully that time is used loving God serving others and shaping a legacy that reaches beyond the limits of earthly life
