What Matters Blood:

Blood and Other Matter Kaitlin Bevis, 2019-04-17 Blood moon rising Derrick Hernandez and Tess D'Ovidio have been best friends forever. There's nothing they wouldn't do for one another. But their childhood bond is put to the test when Tess shows up on Derrick's porch covered in blood. Tess has no memory of what happened. She'd gone to a bush party with one of the football players. She remembers the bonfire and then nothing. Working backward, Tess and Derrick learn that she and seven other players were the only ones to make it back from the party alive. During the next few weeks, each of the survivors is plagued with nightmares that reveal fragments of memories from the horrific night. But when the young men start dying under mysterious circumstances, Derrick can't figure out if Tess is next or if she's somehow responsible. All he knows is that he has to save his best friend or die trying. *Blood and Other Matter* is chilling and compelling, the fastest page-turner I've read in a long time. From the opening line to the unexpected conclusion, every page kept me guessing. And kept me up at night. EJ Lawrence, contributing editor, Unbound.

Kaitlin Bevis spent her childhood curled up with a book and a pen. After graduating college with a Masters in English, Kaitlin went on to write *The Daughters of Zeus* series and now a young adult horror novel *Blood and Other Matter*. [The Veil of Blood and Shadow](#) Elysia Thorne, She was born to die for the gods. He was sent to kill her. Neither expected the bond that could destroy the world. For centuries, the Saint of Shadows has kept the gods asleep with her sacred blood. Seris has known only ritual obedience and the cold walls of the Sanctum until a forbidden power begins to stir in her veins, unraveling the lies she was raised to worship. Then a mysterious warrior appears in her temple. Kael, cursed by the God of Death and bound to the Ashen Realm, arrives with one purpose: end the Saint's life and break his own chains. But the moment he sees her, the prophecy shifts. Her blood calls to him. His shadows answer. And the veil between life and death begins to crack. As gods awaken and ancient magic rises, Seris must choose: sacrifice herself as a saint or claim her power and risk burning the heavens down. Perfect for fans of *Forbidden*, god mortal romance, prophecy, bound heroines, blood magic, and divine corruption. Lush gothic fantasy worlds. Dark romantasy with high emotional stakes. Step into the shadows and discover why readers can't resist forbidden gods, deadly prophecies, and the kind of love that could end the world.

Dangerous things (blood bound book 3) Amy Blankenship, RK Melton, 2017-06-19 Steven Wilder had fallen for the bat-wielding temptress in more ways than just hitting the floor; he wanted to keep her. Finding out she was promised to the mob gave him the reason he needed to kidnap her and make her his mate for her own protection, of course. Everyone says there are two paths in life, but for Jewel Scott, it looked like both of them were very dangerous. One led toward Anthony, a murdering psychopathic werewolf who was also the head of the city mob and her fiancé against her will. The other road led toward Steven, a werewolf whom she had knocked out with a baseball bat on their first meeting. He retaliated by kidnapping her and making her his mate.
