Your Heart Knows the Answer Gail Harris,2005 Everyone but especially women have voices in their heads providing conflicting advice and resulting in self doubt The voice that says you're attractive and the one that insists you're fat and ugly The voice that says that you're stupid and the one that says you're a gift of God The voice that says you can't and the voice that says you're unstoppable Your Heart Knows guides women to tap into the voice of their hearts and live according to its wisdom Part One focuses on learning how to distinguish the true inner voice of the heart from the debilitating negative and critical voices that originate from outside ourselves Part Two guides the reader to put into action what's she's learned by living according to what her heart already knows Your Heart Knows guides women to reunite with the magnificent woman within and listen to and trust the strong intuitive voice of the heart for everything from changing jobs to choosing a mate Through personal rituals affirmations and ceremonies this gentle companion and step by step guide helps women Claim their true authentic inner voice Compose a life of harmony and balance Create personal direction guided by the truest of all compasses one's own inner truths
