## **What To Do Until Christ Comes:**

**What to Do Until Christ Comes** Dale Mark Johnsen, 2000      **What to Do until the Lord Comes** Father Cassian, 2024-11-05 Does Christianity seem at odds with the world we live in How do we live the Christian life in the world as it is now In *What to Do until the Lord Comes* author Father Cassian provides answers gleaned from the ancient Eastern Orthodox Christian Church He draws on many decades of experience as a Spiritual Father to help us bridge the gap to understand and apply the teachings and ideas held by the original confession of Christianity This guide shows how practical it is to live like Christ in the complexities of the world in the twenty first century *What to Do until the Lord Comes* addresses many faith issues For those unfamiliar with Orthodox Christianity or even Christianity in any form Fr Cassian offers a practical illuminating and refreshing path to both understanding and living out the Christian life Fr Cassian understands that everyone encounters God in his own particular way He helps us use what we have to grow and points the way forward to a deep and honest relationship with Christ

**What to Do Till Jesus Comes** Knofel Staton, 1982 Discusses the concept of the return of Jesus and its implications for Christian life

***A Conversation with God*** Alton Gansky, 2011-03-15 A front row seat to a fascinating conversation between God Jesus and other biblical characters answering important questions about life and faith *A Conversation with God* allows readers a one on one dialogue with God his son Jesus and other important men and women from the Bible as they respond to questions and concerns relevant to the Christian faith The questions in some cases hard hitting cover issues that have troubled believers and seekers since the beginning of time Each answer is based on Scripture and written with the warmth and intimacy of a Heavenly Father relating to His child Categories and sample questions include God how can we believe that You created us Why weren t all early writings included in the Bible How should we prepare for the end of the world Jesus can I lose my salvation What will we look like in heaven God does choice extend to abortion

***Paul and the Hope of Glory*** Constantine R. Campbell, 2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell s award winning book *Paul and Union with Christ* is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul s thinking that affects virtually everything else While union with Christ is the webbing that joins Paul s thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul s eschatology asking whether he is a covenant or an apocalyptic theologian In *Paul and the Hope of Glory* Campbell conducts a thorough exegetical study of the relevant elements of Paul s eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul s thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul s eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces

the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul's eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul's thinking

**Word Up** Alfreda Brown, 2013-11-26 **Word Up** displays the realities in life depicting the signs of the times through headline events as well as what happens in the home on the job or in social gatherings Life can be a struggle There are pros and cons in the ways that we deal with what is happening around us and most importantly what happens inside of us Consider the following questions Are we appropriately handling the challenges that can adversely impact our lives How can we make good decisions while managing our reaction to bad situations How can we ensure that we are leaning and depending on something that is greater than ourselves our connection with God How can we build our relationship with God to ensure that we are on the right track and have ceased playing guessing games with important areas of our life **Word Up** forces you to think with clarity and then gives you an opportunity to do something about your reaction to the bare facts **Word Up** helps you to face head on the reality of a situation it does not allow you to be timid gloss over it or just do nothing Rather **Word Up** gives you a choice do nothing and watch things get worse or do something and bring the change you want and deserve Learn how to deal with situations rather than just quoting the Bible as though knowing and doing are the same Real change in your life requires faith and faith without action is null and void **Word Up** requires action If you really want transformative change in your life read a topic that describes your situation and begin to bring the deep change that becomes irreversible in nature a change that you have only hoped for but have not achieved There is healing in **Word Up** as you read the Word of God that is so deeply embedded Allow God to work with you as you read this life changing analogy

**The Complete Works** John Bunyan, 1877 **Until Christ Returns** David Jeremiah, 2007 Drawing from the Olivet Discourse in the Book of Matthew this book outlines priorities for believers in an era of heightened stress and confusion The Shepherd has spoken Some of His words comfort others rebuke Though heaven and earth pass away not one of His words every will
