p 2 *WILD TURKEY & ITS HUNTING* Edward a. McIlhenny,2017-03-10 Although many eminent naturalists and observers have written of the turkey from the date of its introduction to European civilization to the present time there has been no very satisfactory history of the intimate life of this bird nor has there been a satisfactory analysis of either the material from which our fossil turkeys are known or the many writings concerning the early history of the bird and its introduction to civilization I have attempted in this work to cover the entire history of this very interesting and vanishing game bird and believe it will fill a long felt want of hunters and naturalists for a more detailed description of its life history *Wild Turkeys* John J. Mettler,1998-01-09 From the Publisher Wild turkey hunting is the up and coming sportsman s activity And the key to understanding the wild turkey hunt is understanding the habits and habitat of this noble bird An experienced veterinarian and hunter John J Mettler Jr has written the most comprehensive guide for turkey hunters of all ages and skill levels Wild Turkeys will take you step by step through every aspect of this exciting sport including Understanding wild turkey distribution feeding patterns and mating rituals Choosing safe and effective clothing firearms and equipment Dressing your turkey in the field Mounting a prize bird Photographing turkeys in their natural habitat You ll also find 30 recipes to help you fully enjoy this rare delicacy *Studies of the Wild Turkey in Florida* Lovett E. Williams,David H. Austin,1988-12-01 Certain to become a standard reference work on any game bird management shelf of essential books J W Hardy Curator in Ornithology Florida State Museum I doubt that anyone knows the wild turkey better than Lovett Williams and David Austin Their years of research and experience with this magnificent American game bird are crystallized in this book I learned more about the biology and ecology of the wild turkey and the turkey hunter in the few hours it took to read it than I had learned in a lifetime Herbert W Kale II Florida Audubon Society *Studies of the Wild Turkey in Florida* contains the results of 22 related in depth studies on the ecology morphology behavior and management of the wild turkey in Florida The authors describe management and research methodology invented or perfected during the course of the studies including techniques for capturing and handling wild turkeys radio tracking and other markings and observation blinds Major topics include a description of the molting processes reproductive behavior of the hen life history and physical development observation with emphasis on the nesting and brood periods effects of sport hunting and physical characteristics There are recommendations for setting hunting regulations a chapter on harvest management and a synopsis of research and management needs *The Wild Turkey and Its Hunting (Classic Reprint)* Edward A.
