Wild Animus:

Wild Animus Rich Shapero, 2004-09-01 How far would you go to find yourself Wild Animus tracks the reckless quest of Ransom Altman a young Berkeley graduate who roused by his literary heroes and love for his girlfriend Lindy resolves to live in a new world of inexhaustible desire Ransom s deepening identification with the wild mountain ram whose passion and wisdom he seeks drives the young lovers north first to Seattle then to the remote Alaskan wilderness Alone on the unforgiving ridges of Mt Wrangell his imagination increasingly unhinged Ransom begins to devise and act out a dangerous animal mythos which he documents in a first person manuscript and in songs or chants that detail his transformation and pursuit by a pack of strangely familiar wolves The feverish hunt leads from the wilds to civilization and back again And when the lovers return to brave the perilous mountain together the truth behind Ransom s imagined transformation emerges What they discover in those frozen heights threatens their love as well as their sanity and their lives Is Ransom inspired by a transcendent truth or prey to a misguided fantasy As his grip on reality weakens the reader shares Ransom s fears his hopes and his extraordinary discoveries Wild Animus Shapero s debut novel is a search for the primordial and a journey to the breaking point It is a story of love and surrender of monomania of striving at all costs for a bliss beyond fear **CD Wild**
