strength and determination inside you to embark on the spectacular journey that is the marathon Baltimore Orioles IQ Tucker Elliot,2013-11-15 For half a century the St Louis Browns were nothing short of spectacular when it came to futility Whatever promise or hope or grandeur dreams held by the franchise and its fans after a second place finish in its inaugural season in St Louis was quickly replaced by this abysmal reality the Browns were dead last in the eight team American League ten times in 52 seasons Then in 1954 the club began play in Baltimore and its new owners shed the Browns and every imaginable link to the club's past It's not that the Orioles don't respect history it's that from the very beginning Baltimore was intent on making its own history And to that end the franchise has been extraordinarily successful In St Louis the Browns had more 100 loss seasons than any team in baseball history in Baltimore it barely took Earl Weaver a decade to manage the Orioles to five 100 win seasons In St Louis the Browns backed into one Pennant in five decades In Baltimore the Orioles built a powerhouse that dominated the better part of two decades and won six Pennants There have been ups and downs obviously like every franchise and plenty of lean years to go with the championships but with its successes and the many legends it's produced since 1954 the Orioles have achieved the same status if you will as its division rivals New York and Boston as being one of baseball's truly great franchises A virtual who's who of baseball royalty spent time playing in Baltimore from Brooks Robinson Frank Robinson and Jim Palmer to Cal Ripken Jr and Eddie Murray to today's superstars Chris Davis and Manny Machado You can't discuss the game's greatest moments without including the Orioles You can't tour the Hall of Fame in Cooperstown without seeing the influence of the Birds This is a book of trivia and history It's meant for diehard baseball fans but whether or not you count yourself part of Orioles fandom is irrelevant because the history of the Birds is inextricably linked with the history of baseball so sit back and reminisce with ten chapters of Baltimore Orioles history baseball stories and 200 brand new trivia questions that will wrack your brain and test your skills It's your Orioles IQ the ultimate test of true fandom **The Year after the Tears of Joy: recap of the 2016 baseball season** Corné
