

You might be old, but are you
this old:

You Know You're 50 When

Richard Smith

You Know You're 50 When:

You Know You're 50 When... Fred Jr. Fox, Jack Stein, 2001-01-20 You Know You're 50 When is a fun entertaining and informative book of humorous clichés about reaching that marvelous age. This book also incorporates many facts about the achievements and accomplishments of people who have reached the age of 50 or above. It will be inspirational to some and hilarious to others.

You Know You're Fifty When Richard Smith, 1998-05-04 Whether you're over the hill approaching the hill or rolling down it, this is the ultimate guide to life after 50. So get your readers and settle in. Getting closer to the big Five O. Know someone who is sure 50 might be a scary number, but it's also a state of mind, an opportunity to drape an afghan over your shoulders when you're chilly or start enjoying cruises. For anyone in denial about reaching the half-century milestone, New York Times bestselling author Richard Smith clues you in on certain signs that you can't ignore. Because even if you feel like you're at the top of your game, you know you're 50 when blowing up balloons gets you winded. You start jogging with an ID. It can take up to fifteen minutes to climb out of a hammock. Staying power refers to remaining awake through cats. You think menopause entitles you to park in a handicap zone. Your tailor diplomatically suggests it's time to let out your barbecue apron. You actually start to obey the Don't Walk signal. Florida starts looking good. So go ahead and blow your retirement savings on cruises, trips to Paris, and plastic surgery. You've got another 50 years to go.
