Act 1** Kakande Simon,2025-08-19 Pastor Simon came to

believe the reason why 10 years ago God had showed him that only 7 Pastors on earth were qualified for Heaven if Jesus had showed up on earth by then to take those who were ready for Him The reason why he believed so was after God spoke to him in 2023 that there was the kind of Power Pastors have never acquired and they don t even talk about it If the Pastors and Apostles of today were totally filled with the Holy Spirit they would have had that Power God showed him in Acts 1 8 Below are some of the works God told him that would have been done by the Pastors long time ago By this time Pastors would have been doing the works Jesus did and even greater works than He did Have we seen this happen anywhere Pastors would have been witnesses of Jesus in Israel rather than just being tourists there They would be first of all manifesting the wondrous works that used to happen earlier in Israel before she fall away from God and also by interceding for her salvation intensely Lastly they would be taking street evangelism and the crusades they normally do elsewhere this time to where Jesus is not believed as the Son of God i e in the UAE China Saudi Arabia Iran Iraq Afghanistan and in all those Arab countries the gospel is mostly needed to be witnessed All the above mentioned there scarcity is a proof to Pastor Simon of what God showed him that the gospel ministers of today have never been filled with the Holy Spirit so that they could acquire such Power to enable them do such for that reason many will never make it to Heaven Pastor Simon continues to explain more in this book but in the School of the Holy Spirit which Jesus first took him through Personally from 2023 a lot more is taught When you join the school here in Uganda or invite it to your locality you will get to know the difference between having the feelings of the Holy Spirit which most of the world renown great ministers of today are using and that of filling of the Holy Spirit Be blessed as you read the message in this book and as you seek to join or invite the school of the Holy Spirit next year 2026 Living Water Ronald E. Ramsey,2007-05-17 For centuries Christians have gathered to hear messages of forgiveness and redemption hope and abundant life They have come from far and near to drink from the waters of everlasting life Living Water is a collection of sermons conceived to reveal the love of God poured out in Jesus Christ as the true living water These sermons address those particular ideas and beliefs necessary to sustain faith in the rough and tumble world of 21st Century living Preached first at St John s Episcopal Church Arlington MA they originate out of the author s concerns as pastor and prophet for the spiritual well being of a particular people in a particular place Nevertheless the themes contained in each sermon are universal having relevance for all spiritual seekers throughout the world and across denominational and interfaith boundaries Ronald Ramsey shows how the gift of faith animated by the grace of God can transform and enliven the human soul Living Water is a treasure of pastoral insights and unique biblical perspectives which explores the challenges of human living and offers hope for spiritual seekers and prophetic light for the spiritual journey Author Website www.newdirectionsfuture.com Searching the Scriptures Charles R. Swindoll,2016-09-13 A 2017 ECPA Christian Book Award finalist in the Christian Living category Are you getting the spiritual nourishment you need Optimal health requires optimal nutrition The same is true spiritually speaking Without sufficient and regular biblical nutrition our inner lives begin to suffer the consequences We

Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić,2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture's emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke's writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus's kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling
