

The Placement Test

The placement test has two parts. In part 1, each student reads a passage aloud as you count decoding errors. In part 2, students answer comprehension questions about the passage.

Instructions for Part 1

You should administer part 1 in a corner of the classroom so that other students will not overhear the testing. Use the following procedure.

1. (Give the student a copy of the placement test.)
2. (Point to the passage and say:) You're going to read the passage aloud. I want you to read it as well as you can. Don't try to read it so fast you make mistakes, but don't read it so slowly that it doesn't make any sense. You have two minutes to read the passage. Go.
3. (Time the student and make one tally mark for each error.)
4. (After two minutes, stop the student. Count every word not read as an error.)
5. (Total the student's errors.)

Use the following guidelines for counting decoding errors in part 1.

- If the student misreads a word, count one error.
- If the student omits a word ending, such as *s* or *ed*, count one error.
- If the student reads a word incorrectly and then correctly, count one error.
- If the student sounds out a word instead of reading it normally, count one error.
- If the student does not identify a word within three seconds, tell the student the word and count one error.
- If the student skips a word, count one error.

- If the student skips a line, point to the line and count one error.
- If the student does not finish the passage within the given time limit, count every word not read as an error. For example, if the student is eight words from the end of the passage at the end of the time limit, count eight errors.

Instructions for Part 2

After all the students have finished part 1, administer part 2 to the entire group. Use the following procedure.

1. (Assemble the student.)
2. (Give each student a copy of the placement test.)
3. (Say:) Here is the passage you read earlier. Read the passage again silently; then answer the questions in part 2. You have seven minutes. Go.
4. (Collect the test papers after seven minutes.)
5. (Total each student's errors, using the answer key below.)

Answer Key for Part 2

1. Idea: *the Bermuda Islands*
2. Idead: *to dive; to see the bottom of the ocean*
3. Response: *warm*
4. Response: *the guide*
5. Ideas: *partner; person*
