## Young Emma:

**The Fullest** Min Kahng, 2025-04-08 A change in perspective can change your whole outlook at least that's what Lily's banking on when she surprises her grandmother Emma with a theatrical re-enactment of her life. Distracted by Emma's decision to forgo treatment for her terminal illness, Lily thinks her grandmother just needs encouragement not to give up. Enlisting her community college sketch comedy troupe to remind Emma of her life's trials and triumphs so far, only Lily didn't exactly tell her friends what they would be doing and she may not actually know everything about her grandmother's life. Maybe it's Lily who needs a new perspective on what it means to live life to the fullest in this poignant heartfelt drama. *The Fullest* was written by Min Kahng as part of the California Thespians One Act Play Commission established by Stage Partners in conjunction with California Thespians. This ongoing initiative engages professional playwrights to create inspiring work especially for a selected California thespian troupe. Students and teachers are involved in the new play's development and premiere the new one act at the California Thespian Play Festival. *A Christian in the Land of the Gods* Joanna Reed Shelton, 2016-01-05 In November 1877 three months after Emperor Meiji's conscript army of commoners defeated forces led by Japan's famous last samurai the Reverend Tom Alexander and his new wife Emma arrived in Japan a country where Christianity had been punishable by death until 1868. *A Christian in the Land of the Gods* offers an intimate view of hardships and challenges faced by nineteenth century missionaries working to plant their faith in a country just emerging from two and a half centuries of self-imposed seclusion. The narrative takes place against the backdrop of wrenching change in Japan and Great Power jockeying for territory and influence in Asia as seen through the eyes of a Presbyterian missionary from East Tennessee. This true story of personal sacrifice, devotion to duty and unwavering faith sheds new light on Protestant missionaries work with Japan's leading democracy activists and the missionaries role in helping transform Japan from a nation ruled by shoguns, hereditary lords and samurai to a leading industrial powerhouse. It addresses universal themes of love, loss and the enduring power of faith. The narrative also proves that one seemingly ordinary person can change lives more than he or she ever realizes. **The American Herd Book** Lewis Falley Allen, 1872 To which is prefixed a concise history of English and American Short horns compiled from the best authorities. *Hutchinson's Washington and Georgetown Directory*, 1892 **Polk's Joliet (Will County, Ill.)
