Successward A Young Man's Book For Young Men Edward William Bok,2021-01-01 The average young man is apt to think that success is not for him To his mind it is a gift to the few not to the many This book aims to remove the misconceptions of success from the common stereotype that only the rich and the fortunate gets it It has no other purpose save to show that success and the truest and best success is possible to any young man of honorable motives It is written to young men by a young man to whom the noise of the battle is not a recollection but an every day living reality He thinks he knows what a fight for success means to a young fellow and he writes with the smoke of the battle around him and from the very thick of the fight The Works of Professor Wilson of the University of Edinburgh: Noctes ambrosianae John
