

6 EASIEST WAYS TO GET

Younger-Looking Skin

Follow CTM Routine

It sounds basic, but a regular CTM (Cleansing, Toning, and Moisturizing) routine can do wonders for your skin.

Sunscreen Is Non-Negotiable

Wear sunscreen daily without fail to protect your skin from UV damage and premature signs of aging.

Use Anti-Aging Products

Start using retinol-based and collagen-producing products in your late 20s to combat the early signs of aging.

Remember Your Arms And Legs

Exfoliate and moisturize your arms and legs regularly because they are the most visible body parts after your face but often ignored while moisturizing.

Pay Attention To Your Lips

Exfoliate your lips and use a lip balm with SPF for soft, supple lips because chapped lips can ruin your overall look.

Exfoliate Regularly

The dead skin cells on your face may make you look dull. Use physical or chemical exfoliation to reveal healthy and fresh skin.
