

YOUNGEST DAY

Youngest Day

Frederic Antes Godcharles

Youngest Day:

Perpetual Peace and Other Essays Immanuel Kant, 2026-02-16 Written at the height of Kant's philosophical maturity the six essays included in this volume reflect his concern with issues of critical interest to his contemporaries and to us Their major themes include the nature and course of human history the role of war in the history of people and nations and the principles on which lasting peace among them might be built and the role of human reason and freedom in shaping the world in which we find ourselves These essays on politics history and moral practice build on and illustrate the consequences of Kant's philosophy in his three Critical masterpieces and provide an important key for understanding that watershed in historical theory between the Enlightenment and nineteenth century idealistic theories With entirely new typesetting this updated edition of Ted Humphrey's 1983 translation restores inadvertent textual elisions modifies translations of some significant terms makes idiomatic adjustments in the English throughout updates the Bibliography and clarifies the conceptual and argumentative relationships among the essays Essays included in this volume Idea for a Universal History with a Cosmopolitan Objective A Response to the Question What Is Enlightenment Speculative Beginning of Human History On the Proverb That May Be True in Theory But Is of No Practical Use The End of All Things To Perpetual Peace A Philosophical Sketch

Bulletin of the United States Bureau of Labor Statistics, 1913

The young people's hymnal Young people, 1895

Kant: Religion within the Boundaries of Mere Reason Immanuel Kant, 2018-02-22 Religion within the Boundaries of Mere Reason is a key element of the system of philosophy which Kant introduced with his Critique of Pure Reason and a work of major importance in the history of Western religious thought It represents a great philosopher's attempt to spell out the form and content of a type of religion that would be grounded in moral reason and would meet the needs of ethical life It includes sharply critical and boldly constructive discussions on topics not often treated by philosophers including such traditional theological concepts as original sin and the salvation or justification of a sinner and the idea of the proper role of a church This new edition includes slightly revised translations a revised introduction with expanded discussion of certain key themes in the work and up to date guidance on further reading

Two Roads Home Daniel Finkelstein, 2024-08-27 Hair raising includes not just Hitler's depredations but Stalin's too a double measure of evil The Wall Street Journal An epic and uplifting World War II family history of resistance that spans Europe telling of two happy families uprooted by war their incredible suffering under Hitler and Stalin and the near miraculous survival stories of the author's mother and father Moving and important Robert Harris author of Act of Oblivion In Two Roads Home beloved British journalist Daniel Finkelstein tells the extraordinary story of the years before his mother met his father years of war and trials they barely survived Daniel

Finkelstein's grandfather was a German Jewish intellectual leader who tolled an early warning of the impending Holocaust and became an archivist of Nazi crimes. He relocated his family to safety in Amsterdam where they knew Anne Frank. But in those years safety was an illusion. Anne Frank famously went into hiding and Daniel's mother Mirjam also still a child was sent to Bergen Belsen with her mother and sisters. Finkelstein's father Ludwik grew up in a prosperous Jewish family in Poland where his father Dolu was a patriotic hero of the Great War. But when Stalin took control Dolu was deported to Siberia and Ludwik and his mother were sentenced to forced labor in Kazakhstan starved and housed in a stable in freezing conditions. *Two Roads Home* is a page turning account of the narrow escapes, forged passports, ingenuity, bravery and luck that allowed Mirjam and Ludwik to survive the war and find each other. Using their personal testimony, letters sent to Siberia, a diary written in Belsen and years of historical research, Daniel Finkelstein tells what happened to two families, one the victim of the Nazis, the other of the Soviets. A tale of deliverance and triumph over evil, *Two Roads Home* will profoundly touch all who read it.
