Your Brothers Keeper:

I Am My Brothers Keeper Oried E Graves,2025-11-03 I Am My Brother s Keeper is a reflection on how Cain responded to God when asked Where is your brother Abel There was a godly way Cain should have reacted to his brother Abel in love not hatred Instead he chose to kill his brother and lie to God This book reveals that there is also a godly way for us today to respond to the issues between us and our brothers and sisters with love that promotes life instead of death Jesus is our perfect example of being a true brother s keeper for He is the Keeper of the people of God We become our best brother s keeper when we follow Jesus keeping His commandments and abiding in His love Love always seeks life for the ones loved A person who truly loves follows Jesus example of loving his brother as himself When you love your brother as yourself you will want him to live just as you desire to live even if he does not agree with how you love him To be your brother s keeper is one of the hardest callings on earth yet it carries the greatest reward in heaven God sent Jesus to show mankind how to be His brother s keeper Will you follow Jesus and help your brother live **Am I Still My Brother's Keeper?** Robert Wafawanaka,2012-04-05 What does the Bible say about poverty and our responsibility toward the poor This book examines the concept of brother s keeper in both the ancient Near East and the biblical world Wafawanaka contends that biblical Israel failed to play the rightful role of brother s keeper and claims that we too have strayed from this responsibility Am I Still My Brother s Keeper reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities Beginning with the biblical mandate in Deuteronomy 15 Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor Failure to revisit the notion of brother s keeper threatens to create a society that is increasingly disenfranchised and unjust A glance at our world in light of biblical history suggests that poverty is an endemic global problem that requires a radical global solution **Am I my Brother's Keeper? A sermon, etc** John Tyrrell BAYLEE (the Younger.),1853 *The Brother Keepers* John MacNintch,2007 This work of historical fiction based on the World War I experiences of three brothers has its roots in pre war Nova Scotia and sweeps the reader into the vortex of the horrendous battles of human attrition in Belgium and France The story culminates in fratricide and its lingering aftermath What begins as a glorious crusade against the invading Huns devolves into a colossal struggle not only for survival but also for the souls of these three volunteers in the Canadian Expeditionary Force Brought up in the parsonage of a Baptist minister fondly referred to as The Old Gent sons Sable Ian and Fraser are taught to be brother keepers They bond fiercely through a multitude of reckless endeavors and escapades of tomfoolery and danger on both water and land Shipped to the Western Front Sable and his brothers experience bombardments trench raids entombment mine explosions sniping bayonet fighting firefights loss of comrades barroom brawls bloody disasters mud and mayhem while in the ranks of the 31st and 25th Battalions Sable undergoes intensive sniper training and takes his toll on the enemy Ian becomes a stretcher bearer and loses his faith in a compassionate God The paths

of the brothers diverge and cross By 1918 the Canadians have become an elite corps of shock troops together with the Australian Corps they spearhead the first major breakthrough of the war at Amiens It is here that the orders of a drunken officer destroy the brother keepers This saga of military tragedy and heroism engages the moral and religious issues of war and postulates The Iron Corollary to the Golden Rule The Brother Keepers is a story of faith lost and faith maintained doublethink elusive love the sanctity of brotherhood and the toll of warfare interspersed with interludes of humor Out of this searing odyssey on European soil emerged worldwide recognition of the Canadian Corps and Canada as a nation unto itself
