Beautiful Zimbabwe Peter Joyce,1994 This guide is aimed at the tourist who wishes to have a memento of a visit to Zimbabwe The photographs show clearly the scenic beauty and the many interesting tourist attractions that this beautiful country has to offer The informative captions in three languages English French and German are easily identified by means of a flag from the country of origin **Zimbabwe Will Never be a Colony Again!** Mararike, Munoda,2019-06-25 This is a thought provoking original book based on a wealth of empirical case studies of how Zimbabwe experienced illegal economic sanctions It is a study of how the humanly constructed obstructions from external remittances finance flows into the country to finance embargos or total financial blockages are deliberately created by so called powerful governments to deal with an errand country The infamous Zimbabwe Democracy Economic Recovery Act of 2001 ZDERA is part of a raft of punitive measures and discourses that the USA UK and Europe used to make the economy in the words of US s Chester Crocker scream It is the same powerful countries who allow their Multinational Corporations to loot while they impose sanctions against African governments and their peoples to make them scream The book is an insightful contribution on Africa s contemporary post colonial liberation politics of development economics It focuses on Zimbabwe as a synthesis of microcosmic study that provides accessible in depth analysis of key aspects of sanctions as a weapon of control wielded by the so called powerful governments of the Global North Zimbabwe was clobbered with post independence economic sanctions after its land reform programme which benefitted its mostly colonially dispossessed African citizens The land reform was intended as a reversal of colonial injustice and a counter restitutive measure against imperialism The book invites the reader to see power differently as compassion and the capacity to right past wrongs by protecting all and sundry from inequality and poverty Sanctions even when called targeted are non discriminatory as they affect ordinary citizens with the same ferocity and savagery as against intended target albeit often missing the target Sanctions are lethal Sanctions are a graveyard for the poor weak and vulnerable This is an idea of power that the Global North failed to grasp when they decided to punish the Mugabe government for daring to contemplate justice and restitution **Children of the World** Anthony Asael,Stéphanie Rabemiafara,2011 Arranged alphabetically provides facts about the geography traditions and peoples of 192 countries offering children s artwork and poetry alongside color photographs of children from each country engaged in various activities **Best "New" African Poets 2018 Anthology** Mwanaka, Tendai Rinos,Mala, Nsah,2019-02-10 Best New African Poets 2018 Anthology follows volumes in 2017 2016 and 2015 In this fourth volume of these continent wide

A Temporary Inconvenience Andrew Mutandwa, 2011-06-30 A Temporary Inconvenience will resonate with anyone who has had to leave their country and settle elsewhere It is about memories of the life left behind Told in some poignant and often harrowing poems the first half of the book re lives the pain of life under a brutal regime remembering those raped tortured or killed images of a country in meltdown The book reminds also that the grass is not always greener on the other side with pages of broken relationships being lonely and homesick as well as the struggle to bring up children in a foreign country The second half of the book gives a definitive portrait of a dictator and the impact he can have on the people he presides over regardless of whether they love or hate him Living under a dictatorship may seem like a temporary inconvenience but that can last like forever A Temporary Inconvenience takes you into a place the world sometimes pretends does not exist
