Zip Gun Boogie Mark Timlin, 2014-07-26 Sixth in the Nick Sharman crime series It's time for another rock and roll case American rock gods Pandora's Box are cutting their new album in London but someone has wiped the tapes and one of the band is in hospital after an OD Enter Sharman who has been volunteered by Chris Kennedy Sloane to solve the mess Before Nick knows it he is dating the lead singer Ninotchka which is a week's work in itself He is being very well paid and the hotel is well stocked with beer so he is happy there but let's not forget there is still a madman on the loose So what does Nick do but take Ninotchka to a bondage club in Soho As the bodies start mounting up a suspect is found but is it the right person

Zip gun boogie, 2018 Marc Bolan and T. Rex Peter Gallagher, 2025-05-27 For many T Rex founder Marc Bolan remains forever frozen in time as the poster boy of glam the pop rock genre he effectively launched with his March 1971 Top of the Pops appearance to promote Hot Love the band's first number one single But this is to view him through too narrow a focus In John's Children he flirted with modernist art rock He sang folk songs of an otherworldly England in Tyrannosaurus Rex He became a teen idol while dominating the singles and album charts and he also experimented with his unique brand of interstellar soul Finally he proclaimed himself The Godfather Of Punk and became its patron touring with The Damned and giving several major new wave acts their first television exposure This book examines all aspects of Bolan's career from the genre defying My People Were Fair And Had Sky In Their Hair through the transitional A Beard Of Stars and T Rex albums the misunderstood Zinc Alloy and the Hidden Riders of Tomorrow and the should have been comeback Futuristic Dragon Along the way it discusses Unicorn the defining document of the Tyrannosaurus Rex years and the essential T Rex trilogy of Electric Warrior The Slider and Tanx During the day Peter Gallagher is a lecturer in Events Management but at night can be found scribbling away in his man cave Having talked about writing for decades it is only recently he decided to do something about it with 2020 seeing the publication of his first short story and the commissioning of his first book His favourite bands include T Rex The Ramones and The Sensational Alex Harvey Band none of whom he has seen in concert He Lives in Glasgow Scotland **Marc Bolan - Beautiful Dreamer** John Bramley, 2017-09-14 Forty years after his tragic death this homage to Marc Bolan pays tribute to one of the pioneers of the glam rock movement Marc Bolan was the wizard who brought magic to rock music his heart beat to the rhythm of rock Moving from early folk influences and songs on the mythology of Tolkien he transformed himself into a unique sparkling and effervescent glam rock icon His boogie roots combined with Marc's own natural glitter dust and propelled him forward on an adventure with fortunes that were to ebb and flow over a decade His diamond studded halo was extinguished on 16 September 1977 at a time when his music was in the ascendancy The annals of history are strewn with stories of artists who passed away in shocking circumstances of those that died too young from substance abuse mysterious illnesses or even murder Sometimes the shock of their passing immediately elevates their standing in cultural memory and cements their work in a favourable light Marc Bolan died at twenty nine years of age in a

tragic car crash an accident that could have been avoided However it took many years for people to start appreciating what Marc Bolan brought to a rock music scene in the early seventies which had stagnated in some corners after the explosion of creativity in the sixties Yet gradually acclaim has grown for how he enriched the period bringing colour and humour to an increasingly leaden genre Much like Hendrix before him and Cobain after him his natural charisma and striking beauty have underpinned his status as a dreamlike bard an enigmatic pin up whom boys wished they looked like and girls wished they were with Yet it was his scorching talent as a performer and songwriter which have formed the bedrock for longevity as a legend Including rare and unpublished photographs and works of Marc s own poetry this book is put together by a true original fan one who followed Marc Bolan on tour who bought every piece of vinyl he released and who was fortunate enough to have made Marc s acquaintance during the peak of his career Published forty years on from Bolan s death Beautiful Dreamer is unashamedly a book of love a book that every Marc Bolan fan will identify with because it paints a picture of the man that the fans idolised worshipped and continue to cherish to this day **Glam Rock** Simon Philo,2018-10-15 Until recently glam rock has been a mere footnote in popular music history a style over substance lark in an otherwise serious industry Glam Rock Music in Sound and Vision reveals the true story of how glam carved out a place as a diverse musical style and how it related to the artistic political economic emotional sexual and commercial scenes of the late twentieth century Committed to spectacle but also to musical ingenuity glam delivered an exhilarating burst of color that offered a joyful reboot for pop culture a total blam blam Glam swept through Britain to North America in the early 1970s with the foundational stardom of T Rex and David Bowie offering an alternative to the established rock and pop styles that had started to bore a segment of young listeners As Alice Cooper and KISS filled concert arenas British acts as diverse as the Rolling Stones Elton John and Queen consciously adopted glam s flair for drama Refreshing and reinvigorating glam influenced later musical movements and moments from glitterfunk to punk from new wave to new romanticism and from hair metal to the synth pop of self conscious changelings like Marilyn Manson and Lady Gaga In Simon Philo s engaging history glam finally gets the spotlight it deserves As an essential force in the history of popular music glam offers a prism through which to explore 70s pop culture in all its glitter and charm *Glam Musik* ,2001-01-17 A musician with a gentle heart Sir Arthur Clarke CBE GD is a bright and talented musician who s musical style is nearly ambient classical with a Euro flavor Patrick Ferris HotBands com Marc Bolan: The Rise And Fall Of A 20th Century Superstar Mark Paytress,2009-11-05 Marc Bolan was the very first superstar of the 1970s As the seductive focus of T Rex he revelled in fame and fortune released a string of classic records before tragically losing his way The fatal car accident in 1977 cut short his planned comeback as a punk rocker but also served to fix Bolan as the definitive icon of the Glam years Bolan s music and chameleonic style were to influence a generation of future bands In his various guises he could be a beatnik a mod a punk a hippie and a Glam hero This biography of a pop obsessive draws from interviews with many friends and colleagues including broadcaster John Peel

brother Harry and band members Mickey Finn and Bill Legend

The Bootleg Guide Garry Freeman, 2003-07-14 The Bootleg Guide is the ultimate in reference works for the 1960s and the 1970s bootleg recordings Within these pages lies a history of rock at its best as performed on stage or in the studio Each entry is catalogued by title date featured tracks and contains a quality rating and comments on the nature and origin of the recording Cross references are provided to other titles and extensive information is available on alternate titles of bootlegs In many cases quirky facts about a particular title are given something that in itself may make a title a highly desirable and sought after rarity amongst collectors Limited editions are listed to help the reader and collector develop a clearer picture of just how obtainable a bootleg may be Bootlegs are unofficial live and studio recordings of artists and bands that are released onto vinyl tape or CD By definition most are so rare that they change hands only for vastly inflated sums or are traded by networks of dedicated collectors worldwide Serious fans and collectors have been known to spend as much as 225 for an original scratchy vinyl recording of bands like Deep Purple and the Grateful Dead dating back to the early seventies The rarest of all are akin to valuable paintings as far as collectors and traders are concerned
