Zips Apollo:

Zip's Apollo Philip Ridley, 2005 Zip Jingle has lived most of his life in the forest with his family So his recent move with his mum and little brother to Yet To Be Named Street in New Town where even the trees and grass are plastic is a shock The magic has gone out of their lives and none of them know how to get it back Until one day Zip and his baby brother Newt bring home a shopping trolley from the supermarket and Apollo as Newt names the trolley starts to communicate with them Through Apollo Zip and his family learn to see the magic in life again and come to terms with the loss that has affected them all

Moonfleece Philip Ridley, 2014-02-14 Moonfleece is an intense and thrilling exploration of memory and identity and is the most directly political play to date by leading playwright Philip Ridley Set in an abandoned council flat Moonfleece centres on a young right wing activist forced to reassess his personal and political beliefs

Piranha Heights Philip Ridley, 2013-11-06 A programme playtext of Philip Ridley s latest haunting work for Soho Theatre London from May 2008

Apollo's Plague Derek Hart, 2017-11-07 Every civilization has created its tales of cataclysm or apocalypse We are perhaps the first generation which by deliberate actions could create our own doom It s no great stretch of the imagination that humans might disappear from the face of the earth Still the instinct to survive is a powerful force and there probably would be some who would indeed make it Within hours after the unexplained apocalypse unveiled in Minerva s Shield lights would start going out around the country More than 70%% of power in the United States alone is generated by the burning of fossil fuels These power plants would only continue to produce electricity as long as the fuel takes to be consumed As discovered during the journey outlined in Nike s Chariot if there is no one around to provide the new fuel into the generating plants then it will be quite quick before the lights blink off everywhere
