## **Zombie Town:**

Zombies Attack! Mark Cheverton, 2017-09-19 The Far Lands is a hidden area located at the very edge of Minecraft's outer borders unknown to normal users. There the life of a young boy named Watcher is suddenly turned upside down when his village is destroyed by the vile zombie warlord Tu Kar. Watcher and a handful of his friends vow to save those who were captured during the devastating battle and bring the zombie leader to justice. But along the way they'll uncover a terrifying secret about the monsters in the Far Lands, one that could change Minecraft forever. The Rise of the Warlords series is an interactive Minecraft adventure like never before, giving fans the option to play along in Minecraft as they read on custom Far Lands worlds exclusively designed by bestselling author Mark Cheverton. *Swift Programming* Matthew Mathias, John

Gallagher, 2015-12-15 Through the author's carefully constructed explanations and examples, you will develop an understanding of Swift grammar and the elements of effective Swift style. Written for Swift 2.0, the book is also compatible with Swift 2.1. You will also learn how to navigate Xcode 7 and get the most out of Apple's documentation. Throughout the book, the authors share their insights into Swift to ensure that you understand the hows and whys of Swift and can put that understanding to use in different contexts. After working through this book, you will have the knowledge and confidence to develop your own solutions to a wide range of programming challenges using Swift. **The Rules We Break** Eric

Zimmerman, 2022-12-13 Whether you're a game player, a designer of any kind, or someone who wants to know more about design, *The Rules We Break* will open your mind to creative and thought-provoking approaches to design. Play through more than 20 hands-on real-world games and exercises to explore how people think, how games and systems work, and how to move through a creative process. Everyone can learn from game design: interaction designers and software developers, graphic designers and urban planners, kids in after-school programs, and university students studying design. This collection of interactive games and exercises is designed to help you consider new ways of approaching productive collaboration, creative problem-solving, analysis of systems, and how to communicate ideas, providing skills you can use in any discipline or situation. These real-world exercises are designed to be played on tabletops, as playground-style physical games, and via social interactions with others in person or online. A wide range of entertaining, thought-provoking games, exercises, and short essays grow in complexity over the course of the book, from 20 minutes of play to design projects that last for days or weeks. Award-winning game designer Eric Zimmerman invites you to play your way through it all, learning about play systems and design along the way. **Saving Crafter** Mark Cheverton, 2015-09-01 New York Times Bestselling Author

Boys and girls think that Minecraft is the most fun they can have. But it's just playing a game. With Mark Cheverton's books, they can enter the universe they love. Gameknight999's best friend in Minecraft is dying, and only the User—that is, not a user—can save him. Herobrine, the artificially intelligent virus intent on escaping Minecraft and infecting the Internet with his evil, was captured after an epic showdown on the shores of Minecraft. Gameknight999, having trapped the virus in an unlikely prison, saved the lives of his

friends in the game and was finally able to return to the physical world Everyone thought the Last Battle was over and Minecraft was safe but they were wrong The powerful evil held within Herobrine s prison is leaking out into the fabric of Minecraft and attacking Crafter the most sensitive NPC on the server and Gameknight999 s best friend With Crafter s life in jeopardy Gameknight999 and his father a Minecraft noob have no choice but to return to the game again As they journey to The End to destroy Herobrine Gameknight and his friends will face two of Herobrine s most hated creations the zombie king Xa Tul and the king of the endermen Feyd With Crafter s life hanging by a thread Gameknight999 must find a way to thwart Herobrine s plans before the virus s poison kills his best friend Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more In particular this adventure series is created especially for readers who love the fight of good vs evil magical academies like Hogwarts in the Harry Potter saga and games like Minecraft Terraria and Pokemon GO While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
