Spiritual Light:

Spiritual Light Randy Delp,2010-12-21 Randy Delp presents his spiritual light theory from the teachings of Jesus and from first century church literature that has been lost until recent archeological findings in the Middle East The theory suggests that all physical substances that presently exist came from God and was created through His spiritual light This spiritual light can be fully examined in the spiritual realm but without spiritual senses we do not have the capability to see hear taste touch or smell the essence of that light God is called the Father of Lights His kingdom is a kingdom of light His sons are children of light This book explores the creation and how it came into being It also pronounces how Gods kingdom of light can be manifested and demonstrated in the physical realm through our obedience to divine authority and our proper responses to lifes situations Finally Randy Delp explains how the culmination of time and the Messianic return will reinstitute a manifested spiritual light where once again we will experience the spiritual realm as Adam and Eve did at creation
