Sporting Architecture:

Sport and Architecture Benjamin S. Flowers, 2017-05-08 Sport and architecture are two elements of contemporary life that have a broad and profound impact on the world around us The role architecture plays in shaping buildings and societies has occupied historians for centuries Likewise the cultural economic and political importance of sport is the subject of sustained academic inquiry When sport and architecture converge as in the 2012 London Olympics or the 2014 World Cup in Brazil then the impact of these two forms of social activity is redoubled This book presents a new and dynamic study of the complex relationship between sport and architecture It explores the history of sport architecture and examines the buildings and events that create sites where sport and architecture converge in particularly telling ways Its chapters discuss the following topics sport architecture and urban redevelopment sport architecture and technology sport architecture and nationalism sport architecture as social activism sport architecture and global capitalism By considering the importance of architectural form alongside these key themes this book represents a landmark study for anybody interested in the social and cultural significance of architecture or sport

Sports Architecture Rod Sheard, 2014-04-04 This book offers a rare chance to understand how sport and architecture come together to create an outstanding building type a symbol of our times Rod Sheard shares the experience and expertise of HOK LOBB in this beautifully illustrated book offering practical advice and guidance on commissioning designing and managing sports venues around the world The award winning work of this firm includes the Millennium Stadium Cardiff the Wembley National Stadium London and the Stadium Australia in Sydney commissioned for the Olympic Games 2000

A Cultural History of Sport in Antiquity Paul Christesen, Charles H. Stocking, 2022-08-31 A Cultural History of Sport in Antiquity covers the period 800 BCE to 600 CE From the founding of the Olympics and Rome's celebratory games sport permeated the cultural life of Greco Roman antiquity almost as it does our own Gymnasiums public baths monumental arenas and circuses for chariot racing were constructed and athletic contests proliferated Sports themed household objects were very popular whilst the exploits of individual athletes gladiators and charioteers were immortalized in poetry monuments and the mosaic floors of the wealthy This rich sporting culture attests to the importance of leisure among the middle and upper classes of the Greco Roman world but by 600 CE rising costs barbarian invasions and Christianity had swept it all away The 6 volume set of the Cultural History of Sport presents the first comprehensive history from classical antiquity to today covering all forms and aspects of sport and its ever changing social cultural political and economic context and impact The themes covered in each volume are the purpose of sport sporting time and sporting space products training and technology rules and order conflict and accommodation inclusion exclusion and segregation minds bodies and identities representation Paul Christesen is Professor at Dartmouth College USA Charles Stocking is Associate Professor at Western University Canada Volume 1 in the Cultural History of Sport set General Editors Wray Vamplew Mark Dyreson and John McClelland
