racing so quit complaining before you've even read the book There will be plenty of time for complaining after you've finished it about an hour from now tops Those sports that are covered in the book are examined with exhaustive inattention to unretained detail Many chapters have nothing to do with sport For instance the chapter on hunting is about hunting for a hassle free triple tall Americano light on the water So then what exactly is this book like thing you hold in your hands Part nostalgic memoir like the summer Mark Sansaver hit 843 home runs in backyard Wiffle ball part Dave Barry esque riffs like explaining bocce to non Italians part scholarly tract includes the origins of tackle football and part metafiction see Time outs all with illustrations drawn by Kenny's daughters it is what Kenny calls his anti coffee table book or Coaster The publisher calls it 24 95 Reviewers like Michiko Kakutani may call it insipid but because Kenny has included a revolutionary backwards following the book's foreword she'll have to call it an insipid breakthrough of a book So what is this book like thing Like the great mysteries in life you'll have to decide for yourself That would include a thought I just had This thought had something to do with Wiffle ball What a great chapter But that's not to say the chapter on hunting is terrible even though it's mostly about coffee Plus I wrote stuff about my children There's even a chapter on jai alai This book has both still photographs and still illustrations It doesn't have any moving pictures That would have required the inclusion of a projector and a big white screen in the book and I'm trying to take a stand on energy conservation Strangely enough Ken Griffey Jr asked me if the book would have video This will make sense when you read the chapter on him I wish I'd written about the Seattle Pilots I used to go to their games when I was nine My favorite player was Tommy Harper But this isn't just a sports book It covers all sorts of things I hope they place it in the Miscellaneous section That should draw a lot of attention I was told that the presence of a sub title would sell more books How am I doing with you Make sure to tell people about this alluring and informative sub title This sub title is longer than some of my chapters

Crazyball Barry Wilner, Ken Rappoport, 2014-08-08
Crazyball is a look at the wild unusual unimaginable funny and downright strange

occurrences in sports Barry Wilner and Ken Rappoport take us from the worst teams in history to sports craziest superstitions wackiest pranks and ultimate blown calls This book is filled with moments that will make you laugh shake your head in wonderment lose your breath or simply ask Really *Prize Bloopers*, 1965 **Hold On, Honey, I'll Take You to the Hospital at Halftime** Norman Chad, 1994-10 It started 50 years ago with a few TV baseball games Now every man who s not out in the woods finding his inner wild man is plunked down in front of a 27 inch diagonal screen watching football basketball hockey darts the Olympics anything that even faintly resembles a sport This hilarious biting incisive book takes a look at the hugely popular phenomenon of television sports *The Brushback Report* Dave Saraiva, 2006 In the tradition of The Onion and The Daily Show comes a compilation of edgy and hilarious fake news from the world of sports by the creator of TheBrushback.com **True Believers** Joe Queenan, 2004-04-01 Bestselling author Joe Queenan s True Believers explores the world of sports fans in an attempt to understand the inexplicable What does anyone get out of it For Yankee Cowboy and Laker fans the answer is fairly clear the return on investment is relatively high But why do people root so passionately for formerly inept teams like the Boston Red Sox the Chicago Cubs and the Philadelphia Phillies Why do people organize their emotional lives around lackluster franchises such as the Cleveland Cavaliers the San Diego Padres and the Phoenix Suns of whom decades passed with only winning a single championship in their entire history Is it pure tribalism An attempt to maintain contact with one s vanished childhood In True Believers humorist and lifelong Philly fan Joe Queenan answers these and many other questions shedding light on and reveling in the culture and psychology of his countless fellow fans Making pilgrimages to such cradles of competition as Notre Dame Stadium Fenway and Wrigley Field Queenan delves into every aspect of fandom in such illuminating chapters as Fans Who Love Too Much men like the author who actually resort to psychotherapy to deal with their unhealthy addiction Fans Who Run in Front which meticulously delineates the differences between Retroactive Municipal and Vicarious Frontrunners and Fans Who Misbehave those who spill beer on women moon other fans or throw half eaten sandwiches at innocent bystanders simply because they look like the current coach of the New York Jets True Believers is a hilarious but also heartfelt look into the world of those fans who realize that it is in fact more than just a game **One Sports Fan Left Behind** William D. Butler, 2011-10-31 Nearly everyone in America is interested in sports However many people are becoming disenchanted Media coverage is dominated by scandalous stories involving many of Americas best known figures in nearly all major sports Fans have come to see professional athletes in general as being overpaid immature and obnoxious Ticket prices have become outrageously exorbitant Many fans feel that they have been betrayed by something that they once held so dear One Fan Left Behind written by a typical longtime sports fan speaks to and for those fans Some of the issues addressed are controversial and may serve as catalysts for further thought Many dubious things about sports are blithely taken for granted For instance did you ever wonder why it is that if a basketball player is fouled in the act of shooting 25 feet from the basket a shot which he was probably going to miss anyway he gets to

move ten feet closer to the hoop to shoot three free throws But if he is fouled in the act of shooting a lay up a shot which he rarely misses he has to move several feet further from the basket to shoot only two free throws One Fan Left Behind is written in a style which is lighthearted entertaining and at times tongue in cheek Portions could be used as a stand up comedy routine Other segments can be described as nostalgic poignant and or deadly serious The topic is singularly timely So many things happen every day that it was difficult for the author to finish writing this book He had to simply drop the pencil and stop writing The story is still unfolding
