

A whimsical illustration of a cottage with a water wheel and a stream in a forest. The scene is set in a lush, green forest with a stream flowing through it. A large, multi-story cottage with a dark, gabled roof and a prominent stone chimney stands on a small island. A wooden water wheel is attached to the side of the cottage, partially submerged in the stream. The water flows over a stone dam, creating a small waterfall. The scene is illuminated by a warm, golden light, possibly from a setting or rising sun, which casts a glow on the trees and the water. The overall atmosphere is peaceful and idyllic.
