Zelensky endorses Trump call to end war

Ukraine leader backs rapid push for peace as US president-elect also meets Prince of Wales at Notre-Dame

By Ross Stewart
Ukraine's President Volodymyr Zelensky has endorsed Donald Trump's call to end the war in Ukraine as the US president-elect meets the Prince of Wales at Notre-Dame de la Reine in London.

The Ukrainian president said he was "in full agreement" with Trump's call to end the war in Ukraine. Zelensky said he was "in full agreement" with Trump's call to end the war in Ukraine. Zelensky said he was "in full agreement" with Trump's call to end the war in Ukraine.

Donald Trump greets the President of Ukraine, Volodymyr Zelensky, at a ceremony to mark the opening of the Parliament.

Streeting orders mass expansion of GP services to tackle NHS crisis

By Laura Donnelly
A mass expansion of GP services to tackle the NHS crisis is being planned by the government.

Sunday Telegraph:

Deluded New World: Current Controversies And Why The Free World Is On Edge Charles A Pasternak, 2025-12-02

Deluded New World explores the cultural and ideological battlegrounds shaping contemporary discourse. Controversy dogs many aspects of our lives today from denying women the security they expect in designated spaces to no longer considering God to be male. The first has serious implications the second is of no consequence to most. Between these two extremes lie some of the polarising issues addressed in this book: bigotry and racism, political correctness, gender and sexuality, slavery and colonisation and free speech. Each chapter draws on concrete real world examples to illuminate the complex intersections between history, culture and modern identity politics. While the subjects discussed are not new, their framing as controversial often reflects the moral, political and intellectual sensibilities of the present age. Slavery, for example, can be traced back at least 10,000 years though few considered it to be controversial until the Age of Enlightenment dawned in the seventeenth century. Free speech has been constrained since the time of Socrates. This book argues that some topics like bigotry and aspects of sexual difference are partially innate whereas others are culturally contingent and reflect the ideological climate of the twenty-first century. Deluded New World argues against the wholesale acceptance of dominant narratives and reflects on the direction of modern Western societies. Borrowing its title in part from Aldous Huxley's *Brave New World*, this book is not fiction but a warning. Pasternak finds evidence that at least one instance of deluded ideology is already in decline. But most continue unabated. These he considers to be a threat to the liberties inherent in the Free World. **Routledge**

Companion to UK Counter Terrorism Andrew Staniforth, 2013. The United Kingdom has long been an island under siege from terrorists who believe they can advance their aims through acts of violence. Protecting the public from the excesses of extremism remains the primary responsibility of government. For over a century, Special Branch, MI5 and MI6 have prevented terrorist atrocities and have pursued those who wish to destroy the United Kingdom's free and democratic way of life. Yet despite developing one of the world's most sophisticated security architectures, successful terrorist attacks have occurred with alarming regularity. For the very first time, this new volume explores the evolution of counter-terrorism practice in the United Kingdom, brought to life with dramatic case studies and personal insider accounts provided by leading policy makers, prosecutors and counter-terrorism practitioners who openly reveal the challenges and operational reality of countering contemporary terrorist threats. From the troubles in Northern Ireland to the al-Qaeda inspired genre of international terrorism, this volume plots the trajectory of counter-terrorism policy and practice, exploring the events that have served to change the course of civil protection. This unique title is enriched by leading academic perspectives providing analysis of counter-terrorism responses and identifies lessons to be learned from the past, the present as well as exploring the terrorist threats of the future to be tackled by the next generation of counter-terrorism practitioners. This accessible and authoritative volume is required reading for all in authority and academia who are concerned with national security, counter-terrorism and

the law as well as those with a vested interest in the preservation of human rights the protection of civil liberties and democracy itself

Global Tourism William F. Theobald, 2012-06-14 Pressure on national and local governments to rapidly develop their tourism potential to meet demand and produce benefits makes it more essential than ever to plan carefully and consider the human and environmental impacts of tourism development That is why as Secretary General of the World Tourism Organization I am pleased to see the serious analysis of the problems and prospects of the tourism sector as presented in this third edition Francesco Frangialli Secretary General World Tourism Organization Now in its third edition *Global Tourism* draws on the insight of thirty nine contributors to chronicle and foresee the effects of tourism on contemporary society Contributors provide interdisciplinary international perspectives on the critical questions problems and opportunities facing the tourism industry Invaluable to academics and professionals alike *Global Tourism* offers a comprehensive exploration of the key issues in tourism Authors draw on their individual insights to assess and critique contemporary tourism and take a view of the future Fully revised and re developed new chapters examine The future of tourism Difference in travel characteristics of significant travel segments Sustainability standards in the global economy Crisis management in tourist destinations Tourism and social identities Tourism mobility and global communities

The Sixth Wisconsin and the Long Civil War James Marten, 2025-04-04 Reimagining one of the oldest genres of Civil War history this book engagingly presents the story of the war and its aftermath through the lens of a single regiment the Sixth Wisconsin One of the core units of the famed Iron Brigade the Sixth was organized in July 1861 and mustered out in the summer of 1865 playing major roles at Second Manassas Antietam and Gettysburg and in the Overland campaign of 1864 But the regiment s full history is found in the

stories of its men learning to fight and endure far from home amid violence illness and death and in the lives of families that hung on every word in letters and news from the front lines Those stories also unfolded long after the war s end as veterans sought to make sense of their experiences and home communities struggled to care for those who returned with unhealed wounds Marshaling a vast archive James Marten has crafted a compelling and highly original biography of the Sixth Wisconsin in war and peace In seeing the fight through the eyes of the regiment s roughly 2 000 men and those connected to them readers will understand the long history of the Civil War as never before *Morning Telegraph's Racing Chart Book* ,1911 **The Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba** ,1882 **The American Digest Annotated, Key-number Series** ,1912 *The Official Railway Guide* ,1902 **The Art and Literature of Business ...** Charles Austin Bates,1902 The Constitutional yearbook and politician's guide ,1901 **The Constitutional Year Book** ,1903 Willing's Press Guide and Advertisers' Directory and Handbook ,1904 *Willing's Press Guide* ,1926 Coverage of publications outside the UK and in non English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts Goff's Hand-book of Ready Reference for Advertisers ,1884 **The Silent Conspiracy** Stephen Dorril,1994 *Supreme Court* , **The American Reports** ,1912 Containing all decisions of general interest decided in the courts of last resort of the several states 1869 1887 **The Advertiser's ABC of Official Scales & Charges and Advertisement Press Directory** ,1901 **The Editor; the Journal of Information for Literary Workers** ,1913 **The Dangerfield general entertainment guide (compiled by E. Lockwood)** . ,1902
