Sunday Under Three Heads:

Sunday Under Three Heads. As it Is: as Sabbath Bills Would Make It: as it Might Be. By Timothy Sparks [pseudonym of Charles Dickens]. [With Plates by H.K. Browne.]. Timothy Sparks, 1836 Sunday Under Three Heads and Other Sketches Charles Dickens, 1884 Sunday Under Three Heads Charles Dickens, 2018 Sunday Under Three Heads by Charles Dickens is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley's mission is to bring long out of print manuscripts back to life Sunday Under Three Heads (Annotated) Charles Dickens, 2020-05-05 Differentiated book It has a historical context with research of the time Sunday Under Three Heads by Charles Dickens As a young man Victorian writer Charles Dickens expressed his disgust at certain aspects of organized religion In 1836 a law was proposed that would prohibit all work and recreation on Sunday Using the pseudonym Timothy Sparks Dickens then 24 wrote a pamphlet titled Sunday Under Three Heads in which he defended the people's right to pleasure opposing a plan to ban games on Sundays The full title was Sunday Under Three Heads How are the things going As would Saturday's bills How could it be done Charles Dickens Charles John Huffam Dickens FRSA February 7 1812 June 9 1870 was an English writer and social critic He created some of the world's best known fictional characters and is considered by many to be the best novelist of the Victorian era His works enjoyed unprecedented popularity during his lifetime and by the 20th century critics and scholars recognized him as a literary genius His novels and short stories are still widely read today Born in Portsmouth Dickens dropped out of school to work in a factory when his father was incarcerated in a debtor's prison Despite his lack of formal education he edited a weekly newspaper for 20 years wrote 15 novels Sunday Under Three Heads Charles Dickens, 2025-08-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Sunday Under Three Heads (EasyRead Large Bold Edition) Charles Dickens, Sunday Under Three Heads Charles Dickens, 2021-02-09 THERE are few things from which I derive greater pleasure than walking through some of the principal streets of London on a fine Sunday in summer and watching the cheerful faces of the lively groups with which they are thronged There is something to my eyes at least exceedingly pleasing in the general desire evinced by the humbler classes of society to appear neat and clean on this their only holiday There are many grave old persons I know who shake their heads with an air of profound wisdom and tell you that poor people dress too well now a days that when they were children folks knew their stations in life better that you may depend upon it no good will come of this sort of thing in the end and so forth but I fancy I can discern in the fine bonnet of the working man's wife or the feather bedizened hat of his child no inconsiderable evidence of good feeling on the part of the man himself and an affectionate desire to expend the few shillings he can spare from his week's wages in improving the appearance and adding to the happiness of those who are nearest and

dearest to him This may be a very heinous and unbecoming degree of vanity perhaps and the money might possibly be applied to better uses it must not be forgotten however that it might very easily be devoted to worse and if two or three faces can be rendered happy and contented by a trifling improvement of outward appearance I cannot help thinking that the object is very cheaply purchased even at the expense of a smart gown or a gaudy ribbon There is a great deal of very unnecessary cant about the over dressing of the common people There is not a manufacturer or tradesman in existence who would not employ a man who takes a reasonable degree of pride in the appearance of himself and those about him in preference to a sullen slovenly fellow who works doggedly on regardless of his own clothing and that of his wife and children and seeming to take pleasure or pride in nothing
