The Golgotha Gate:

Witnesses to Mystery Grzegorz Górný,2013-11-25 In this lavishly illustrated large coffee table volume writer Gorný and photographer Rosikon embarked on a two year investigative journey to seek the truth behind all the relics associated with the passion of Christ The authors investigated a rich body of documentary evidence found in various museums archives and churches surrounding sacred objects believed to have been preserved since Jesus lifetime exploring and collaborating with historians and scientists in their attempt to verify the relics authenticity They reach their conclusions not so much on the basis of faith as on the evidence supplied by historical sources and expert scientific opinion The relics associated with the Passion the suffering death and burial of Christ have long proved something of an enigma for the scientific community Relics investigated and photographed for this glorious volume include the Cross nails crown of thorns pillar of scourging Christ s tunic the Veil of Manoppello the Sudarium of Oviedo the famous Shroud of Turin burial cloth and more *The Church of the Holy Sepulchre in Text and Archaeology* Justin L. Kelley,2019-05-16 This book studies the archaeological record of the Church of the Holy Sepulchre surveying past excavations as well as recent research carried out within the church over the past three decades An archaeological survey provides historical context for the second part of the book a collection of primary sources pertinent to the history of the church *The New Biblical Atlas, and Scripture Gazetteer* ,1851
