**The Reporter** Chinedu Nnadi, 2025-07-02 Lena Carter had always known she was different Ever since she was a child she could feel things before they happened a cold shiver down her spine when danger was near flashes of images in her mind that later became real At first she thought it was just intuition but by the time she became an investigative journalist she realized it was something far stronger Her big break came on a rainy Tuesday night Lena was at her favorite diner sipping black coffee when a sharp pain

shot through her temple A vision flashed a dark alley a glint of metal a body slumped against a dumpster She didn't know where it was but her gut told her to move She jumped in her car and drove letting instinct guide her Twenty minutes later she pulled up behind an abandoned warehouse Police tape hadn't even been strung yet The victim a city councilman was still warm Lena snapped photos noted the odd placement of a playing card the Ace of Spades near his hand and called it in By the time detectives arrived she had already pieced together a theory this was a hit not a random crime Her article The Ace Killer's First Hand went viral She was the first to connect the playing card to a rumored underground gambling ring The police followed her lead and within weeks they made an arrest From then on Lena was unstoppable She'd get a tingle a headache a sudden chill and within hours she'd be at a crime scene before the cops A missing person case She'd dream of a location and find the victim A corporate scandal She'd sense deception in a CEO's press conference and dig until she uncovered fraud Her reputation grew Newspapers fought for her exclusives True crime podcasts begged for interviews She wrote bestselling books launched a documentary series and even consulted for the FBI The media dubbed her The Prophet Reporter Of course not everyone believed her Skeptics called her a fraud a profiteer of tragedy Cops sometimes resented her for showing up before they did But the results spoke for themselves cases solved justice served and a trail of shattered conspiracies in her wake By 35 Lena was a millionaire living in a penthouse with a view of the city she'd helped clean up But the visions never stopped And neither did she Because somewhere out there another crime was waiting to be uncovered And Lena Carter would be the first to know

*The Dragon's Song in Shadow* Krystina Myers, 2024-11-12 Renaissance Florence a city of breathtaking art veiled secrets and the whispers of forgotten magic 1482 The Medici reign supreme but beneath the veneer of power the noble Casa di Bellarosa hides a dark secret the binding of a dragon's magic to their bloodline a pact that fuels their ascent while corroding their souls Alessandra Bellarosa betrothed to the formidable Duke Lorenzo de Medici yearns for a life beyond duty Haunted by the dragon's lament and the weight of her family's guilt she finds solace only in the hidden gardens of her villa But her world is shattered by the arrival of Lucian D'Angelo a scholar with eyes like molten gold and a secret heritage tied to the very dragon her family enslaved Their connection is instant and undeniable a spark ignited amidst the opulent tapestry of a Florentine ball Lucian seeks the Dragon's Tear a mystical artifact not for power but to

understand the pact that decimated his kind Alessandra drawn to his intensity sees in him a reflection of her own yearning for truth and freedom Their forbidden love blossoms amidst the shadows of citrus groves their whispered secrets weaving a dangerous dance of defiance As they search for the Tear they uncover a hidden world of magic secret societies and mythical creatures But their quest awakens a looming threat a magical imbalance caused by the Bellarosa family's greed The Duke consumed by jealousy and manipulated by the cunning courtesan Isabella Romanov tightens his grip on Alessandra Isabella mirroring the ambition of Alessandra's ancestors craves the Dragon's Tear for herself envisioning a Florence reshaped in her own image Caught in a web of deceit Alessandra must choose between duty and desire family and forbidden love At a masked ball where hidden agendas and magical forces collide Isabella unleashes chaos threatening to unravel the very fabric of Florence Alessandra empowered by love and the awakening of her own dragon heritage makes a pivotal choice She joins Lucian not as a noblewoman but as an equal wielding the remnants of the dragon's magic to restore balance Their fight against Isabella becomes a battle for the soul of Florence itself In a breathtaking display of magic they confront Isabella the Duke's illusions shattering as the truth of his manipulated affections is revealed But their victory comes at a price Alessandra choosing redemption forfeits her place in society She and Lucian bound by love and legacy leave Florence embarking on a new path where the dragon's song silenced for generations can finally rise again
